Dear Federal Communications Commission (FCC),

I support Chairman Tom Wheeler's proposal to help customers unchain themselves from annoying cable-box rental fees.

The Pay TV industry rakes in $20 billion a year on these add-on fees. Enough is enough!

I should have the freedom to choose cable box alternatives, and this proposal is a big step in the right direction.

Please, stand up for consumers and vote **YES** on Chairman Wheeler's proposed reform.

Sincerely,

A Nieminski
