Counsel to Assist Wireless, LLC

SUMMARY

Assist Wireless, LLC (Assist or the Company) seeks designation as a Lifeline Broadband Provider (LBP) eligible telecommunications carrier (ETC), pursuant to section 214(e)(6) of the Communications Act of 1934, as Amended (the Act), section 54.202 of the Federal Communications Commission's (FCC's or the Commission's) rules, the Lifeline Modernization Order,[1] and the Lifeline Broadband Provider Guidance Public Notice[2] for the limited purpose of providing mobile broadband internet access service (BIAS) supported by the Universal Service Fund (USF) Lifeline program. Section 214(e)(6) permits the Commission to grant LBP ETC designation and the Commission's rules provide that states may not designate LBP ETCs.

As described in greater detail herein, Assist satisfies all of the requirements for streamlined designation as an LBP ETC and is committed to complying with all of the Commission's rules and requirements for ETCs providing broadband, including the minimum service standards in section 54.408 of the Commission's rules. The Company has an established track record of providing quality voice and broadband services to both Lifeline- and non-Lifeline subscribers. The Company has provided local and long distance voice services, without interruption, for five years, broadband service for more than three years and Lifeline services since 2011. As of the date of this filing, the Company provided voice and/or broadband service to more than 88,000 subscribers including nearly 1,500 non-Lifeline subscribers. Therefore Assist is eligible for 60-day streamlined processing of its LBP ETC designation and this Petition should be deemed granted within 60 days.[3]

---

[1] *See Lifeline and Link Up Reform and Modernization; Telecommunications Carriers Eligible for Universal Service Support; Connect America Fund*, WC Docket Nos. 11-42, 09-197, 10-90, third Report and Order, Further Report and Order, and Order on Reconsideration, FCC 16-38 (Apr. 27, 2016) (Lifeline Modernization Order).

[2] *See Wireline Competition Bureau Provides Guidance Regarding Designation as a Lifeline Broadband Provider and Lifeline Broadband Minimum Service Standards*, WC Docket Nos. 11-42, 09-197, Public Notice, DA 16-118 (rel. Sept. 30, 2016) (Lifeline Broadband Provider Guidance Public Notice).

[3] *See* 47 C.F.R. § 54.202(d)(1).

Assist's broadband service offering will provide eligible Lifeline subscribers with 500 MB of Internet access at 3G speeds each month, in addition to 500 voice minutes and 500 text messages, each month at a cost of $10.00 to the consumer for non-Tribal subscribers, and 1,000 voice minutes and unlimited text messages each month at no cost to the consumer for Tribal subscribers. Assist will not conduct credit checks or collect deposits, thereby eliminating service barriers for low-income or credit-challenged subscribers. To maximize consumer choice, customers will also have the option of purchasing additional units of 3G speed data in affordable increments. This flexibility allows consumers to adjust their broadband service levels to meet their changing needs.

All Lifeline eligible subscribers will receive a Wi-Fi-enabled smartphone in addition to their broadband service. This smartphone will help to address the most compelling needs – including closing the "jobs gap" and the "homework gap" – of these consumers by allowing them to establish email accounts and access Internet- and apps-based job applications; monitor online homework assignments and progress reports; manage medical benefits and appointments; and stay in touch with friends and relatives. In addition, the smartphone enables subscribers to use many of the advanced applications and services that non-Lifeline subscribers enjoy, including maps, audio and video streaming, educational games, and advanced communications services. The Wi-Fi-enabled phone also enables consumers to extend the reach of their Lifeline broadband plan by leveraging free Wi-Fi hotspots in community anchor institutions, retail locations, and elsewhere to utilize additional data. Assist's mobile broadband service gives customers the ability to access the Internet from almost anywhere, enabling them to engage in the digital economy in a manner comparable to the access enjoyed by non-Lifeline subscribers. Moreover, available hotspot-capable phones permit Assist's Lifeline subscribers to tether other devices – *e.g.*, tablets, laptops and PCs – to their smartphone to perform tasks such as completing homework assignments or filling out job-applications that are designed for a larger screen.

Designation of Assist as an LBP ETC is in the public interest. Such designation will provide consumers with an alternative for obtaining quality, reliable and convenient 3G broadband service, when and where they need it, and will introduce new competition to the Lifeline market. This competition, in turn, will motivate other service providers to improve their service offerings to low-income consumers thereby spurring service-level innovation in the Lifeline broadband service market. Consumers will gain convenient and immediate Internet access as an alternative to school or library broadband Internet access that may be effectively unavailable or simply not the best option for the consumer. Assist's proposed Lifeline-supported broadband service offerings promote the goals of the Act as the Company's plans "secure lower prices and higher quality services for American telecommunications consumers and encourage the rapid deployment of new telecommunications technologies" to consumers.[4] Accordingly, and consistent with the streamlined processing provided for LBP ETCs in the Lifeline Modernization Order, Assist respectfully requests expeditious review and approval of this Petition no later than December 2, 2016.

ASSIST WIRELESS, LLC
PETITION FOR STREAMLINED DESIGNATION AS A LIFELINE BROADBAND PROVIDER ELIGIBLE TELECOMMUNICATIONS CARRIER

Assist Wireless, LLC (Assist or the Company), pursuant to section 214(e) of the Communications Act of 1934, as Amended (the Act), 47 U.S.C. § 214(e) and section 54.202 of the Federal Communications Commission's (Commission's or FCC's) rules, 47 C.F.R. § 54.202, hereby requests streamlined designation as a Lifeline Broadband Provider (LBP) eligible telecommunications carrier (ETC) in 37 states and the Commonwealth of Puerto Rico for the sole purpose of receiving universal service Lifeline support for the provision of broadband internet access service (BIAS).[5] Assist does not request LBP ETC status for the purpose of

[5] *See Lifeline and Link Up Reform and Modernization; Telecommunications Carriers Eligible for Universal Service Support; Connect America Fund*, WC Docket Nos. 11-42, 09-197, 10-90, third Report and Order, Further Report and Order, and Order on Reconsideration, FCC 16-38 (Apr. 27, 2016) (Lifeline Modernization Order) and *Wireline Competition Bureau Provides Guidance Regarding Designation as a Lifeline Broadband Provider and Lifeline Broadband Minimum Service Standards*, WC Docket Nos. 11-42, 09-197, Public Notice, DA 16-118 (rel. Sept. 30, 2016) (Lifeline Broadband Provider Guidance Public Notice). Broadband internet access service is as defined by the Commission as a "service by wire or radio that provides the

receiving support for voice services or from any of the other Universal Service Funds (USF), nor does it seek support from the Link Up program.

The Commission has sole jurisdiction, pursuant to section 214(e)(6), to review and grant the Company's request for designation as an LBP ETC and, in its Lifeline Modernization Order, the Commission explicitly preempted state designation of broadband providers.[6] Moreover, the Commission ruled that applicants already possessing Lifeline-only ETC designation do not need to seek additional designation to receive support for BIAS.[7] Petitions for LBP ETC designation will be deemed granted within sixty days of the filing date for applicants that have provided BIAS to the public for at least two years and serve at least 1,000 non-Lifeline subscribers with voice telephony and/or BIAS as of the filing date.[8] By this Petition, Assist requests LBP ETC designation in 37 states[9] and the Commonwealth of Puerto Rico.

As discussed in more detail below, Assist meets the requirements for designation as an LBP ETC and is able and prepared to offer the Lifeline-supported mobile broadband service in the requested territory. Granting Assist LBP ETC status will benefit the public interest by increasing the availability of quality broadband service offerings to a broad range of low-income consumers eligible for Lifeline benefits.

---

capability to transmit data to and receive data from all or substantially all Internet endpoints, including any capabilities that are incidental to and enable the operation of the communications service, but excluding dial-up Internet access service." *Id.*, ¶30.

[6] *See* Lifeline Modernization Order ¶ 232.

[7] *See* Lifeline Modernization Order ¶¶ 298-299.

[8] *See* 47 C.F.R. § 54.202(d)(1).

[9] Specifically, Assist is seeking LBP designation in the following states: Alabama, Arizona, Arkansas, California, Colorado, Connecticut, Florida, Georgia, Hawaii, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Nevada, New Jersey, New Mexico, New York, North Carolina, Ohio, Oklahoma, Oregon, Puerto Rico, South Carolina, Tennessee, Texas, Virginia, Washington, West Virginia and Wisconsin.

I. ABOUT ASSIST

Assist is an established provider of wireless Lifeline services.[10] The Company has provided local and long distance voice services, without interruption, for over five years, broadband service for over three years and Lifeline services since 2011. Assist offers its wireless Lifeline services in states where the Company is designated as an ETC and throughout the coverage area of its underlying carriers from which it purchases wireless network services on a wholesale basis and resells the services to its subscribers.[11] The Company currently is designated as an ETC in Arkansas, Maryland, Missouri, and Oklahoma and has ETC applications pending in other states and before the Commission.[12]

Assist's proposed Lifeline-supported mobile broadband service will provide eligible subscribers with fast and convenient Internet access for activities ranging from researching and applying for jobs to completing homework assignments. The broadband offering will provide 500 MB of mobile broadband data, 500 voice minutes, and 500 text messages, each month at a cost of $10.00 to the consumer for non-Tribal subscribers, and 500 MB of mobile broadband data, 1,000 voice minutes and unlimited text messages each month at no cost to the consumer for Tribal subscribers. To maximize choice, subscribers also will have the option of purchasing additional units of broadband service also at 3G speeds. The availability of "top-up" data in affordable increments will give subscribers the flexibility to tailor their broadband services to meet changing needs. Assist's Lifeline-supported mobile broadband offering may include a free

---

[10] The Company hereby also reports its corporate and trade names, identifiers, and its holding company, operating companies and affiliates as: BBBY GP, LLC (manager) Flagship Equity Partners, LLC (manager); SXCS Partners, LLC (manager); CTC Outreach Marketing (common ownership affiliate) and ViaOne Services (common ownership affiliate).

[11] Assist resells the wireless networks of Sprint and T-Mobile.

[12] The Company also has pending applications for ETC designation in the states of California, Washington, and Wisconsin.

or low-cost Wi-Fi enabled smartphone.[13] In addition to its broadband offering, Assist will continue to offer its Lifeline voice services thereby providing an attractive alternative for those eligible consumers that prefer traditional wireless voice services.

Assist has distinguished itself in the Lifeline space by providing exceptional overall value to customers, field agents, partners, and the greater communities the Company serves. Assist provides customers with high-quality devices, competitive plan offerings, and affordable top-ups. Moreover, Assist provides its field agents with comprehensive training, rigorous internal compliance auditing, a wide array of marketing materials, and a multi-tiered support system that ensures their success and provides them with a life-long skill set. The Company also is committed to making Lifeline services available in the communities that benefit the most from the program.

II. ASSIST MEETS THE COMMISSION'S REQUIREMENTS FOR DESIGNATION AS A LIFELINE BROADBAND PROVIDER AND FOR STREAMLINED PROCESSING OF THIS PETITION

Section 54.202 of the Commission's rules outlines the requirements that must be met before the FCC can designate a carrier as an LBP ETC. As discussed in further detail below, Assist meets these requirements and LBP ETC designation is warranted. Further, Assist qualifies for 60-day streamlined processing of this Petition.

[13] Subscribers will also have the option to purchase upgraded smartphones.

a) *Assist is a common carrier*.[14]

As a provider of BIAS to the public, Assist is a common carrier. In the Lifeline Modernization Order, the Commission recognized BIAS as a telecommunications service, which providers have been able to offer as a common carrier service since 2007.[15]

Further, the Commission has consistently held that providers of wireless services are to be treated as common carriers for regulatory purposes. Section 332(c)(1)(A) of the Act states that CMRS providers will be regulated as common carriers.[16] Assist provides wireless telecommunications services and, accordingly, is a common carrier.

b) *Assist will provide supported Lifeline services by reselling the services of its underlying carriers.*

Section 214(e)(1)(A) of the Act states that an ETC must provide services "using its own facilities or a combination of its own facilities and resale of another carrier's services."[17] However, the Commission's 2012 Lifeline Reform Order granted blanket forbearance from the own facilities requirement, subject to conditions, to all ETC petitioners seeking limited ETC designation to participate in the Lifeline program.[18] That forbearance was conditioned upon the Applicant's provision of 911 service and the applicant having obtained an approved compliance

[18] *See Lifeline and Link Up Reform and Modernization, Lifeline and Link Up, Federal-State Joint Board on Universal Service, Advancing Broadband Availability Through Digital Literacy Training*, WC Docket No. 11-42, Report and Order and Further Notice of Proposed Rulemaking, FCC 12-11, ¶ 368 (2012) ("2012 Lifeline Reform Order").

plan or, in certain instances, having filed a compliance plan by July 1, 2012.[19] However, by its nature, broadband service does not include 911 service capability and the Commission's Lifeline Modernization Order specifically exempts non-facilities-based broadband provider applicants from the requirement to obtain approval of a compliance plan before receiving LBP designation.[20] Accordingly, Assist is not required to meet the "own facilities" requirement of section 214(e)(1)(A).

> c) *Assist certifies it will comply with the service requirements applicable to the support the Company receives, including the applicable minimum service standards*.[21]

Assist certifies that it will comply with the service requirements applicable to the support the Company receives, including the applicable minimum service standards.[22] Assist will provide Lifeline-supported mobile broadband service[23] and will make the services available to all qualified consumers consistent with the coverage area of its underlying providers. Included as an **Exhibit** is a chart identifying the states and service areas by zip code in which Assist seeks designation as an LBP ETC to provide Lifeline broadband service.[24] The Company seeks designation to serve any subscribers within the wireless network footprint of its underlying providers in those states. The Company's underlying providers are currently Sprint and T-Mobile, but may be changed or supplemented in the future. The Company's broadband service

---

[19] 2012 Lifeline Reform Order ¶¶ 368, 373, 380. Assist committed to comply with those 911 service requirements with regard to its voice Lifeline services and submitted its latest revision to its Compliance Plan on April 12, 2013.

[20] *See* Lifeline Modernization Order n.739.

[21] 47 C.F.R. §§ 54.202(a)(1)(i); 54.408; Lifeline Broadband Provider Guidance Public Notice ¶ 10.

[22] *Id*.

[24] *See* Lifeline Broadband Provider Guidance Public Notice ¶ 11.

will enable subscribers to transmit data to and receive data from all or substantially all Internet endpoints and will include all capabilities incidental to, or that enable the operation of the communications service. The service will enable such transmission and receipt by wire or radio and excludes dial-up Internet access service.

Assist's Lifeline-supported mobile broadband service will comply with the Lifeline program's minimum service standards.[25] Assist will provide the following service plans:[26]

	Non-Tribal Plan	**Tribal Plan**
Data	500 MB	500 MB
Voice Minutes	500	1,000
Texts	500	Unlimited
Price to Lifeline Subscribers	$10.00	No cost

The Company understands that it must continue to comply with any future additions to or amendments of the Lifeline rules and will revise its offerings as necessary to comply, in the future, with updated service standards.[27] Assist will not conduct credit checks, require contracts or collect deposits, thereby eliminating the barriers to service often confronting many Lifeline-eligible consumers. To maximize consumer choice, consumers will also have the option of purchasing the following voice and/or data top ups:

Data Top Ups	• $4.00 – 100 MB • $16.00 – 500 MB • $20.00 – 1 GB

[25] *See* 47 C.F.R. § 54.408(b)(2).

[26] Lifeline Modernization Order ¶ 96; 47 C.F.R. § 54.408(c)(2); Lifeline Broadband Provider Guidance Public Notice ¶ 10.

[27] *See* Lifeline Modernization Order ¶ 93; 47 C.F.R. §§ 54.408(a)(2), (b)(2)(ii), (c).

Voice Top Ups	• $4.00 – 100 minutes • $8.00 – 200 minutes • $11.00 – 400 minutes • $20.00 – 1000 minutes
Text Top Ups	• $5.00 – 1000 SMS • $10.00 – 2000 SMS • $16.00 – 4000 SMS
Voice and Text Top Ups	• $7.00 – 100 minutes / 1000 SMS • $13.00 – 250 minutes / 2500 SMS • $19.00 – 500 minutes / 5000 SMS

These supplemental packages, or "top-up" data, will be available for purchase at Assist's website, by telephone or in retail stores (Oklahoma only). Assist's terms and conditions for its Lifeline-supported mobile broadband plans will be included on its website at www.assistwireless.com.[28]

In addition to providing broadband service at a low cost to Lifeline subscribers, and flexible service options that subscribers can customize based on their unique needs and circumstances, Assist's Lifeline-supported mobile broadband offering may include a free or low-cost Wi-Fi enabled smartphone,[29] permitting Lifeline eligible subscribers to share their broadband service with others in their household.[30] Lifeline-eligible subscribers also will be able to purchase device upgrades providing benefits such as the ability to enjoy high-quality photos and video, experience faster load-times for on-device apps and services, and benefit from better storage and memory.

[28] *See* Lifeline Broadband Provider Guidance Public Notice ¶ 10.

[29] 47 C.F.R. § 54.408(f)(1). Subscribers will also have the option to purchase upgraded smartphones. Assist's policies regarding device upgrades and replacements are available on the Company's website.

[30] *See* 47 C.F.R. § 54.408(f)(3).

d) *Assist has the ability to remain functional in emergency situations*.[31]

As noted above, Assist currently utilizes the Sprint and T-Mobile networks to provide its mobile broadband services and certifies that the network over which the Lifeline-supported service is provided is capable of remaining functional in emergency situations. The Company has access to the extensive and well-established Sprint and T-Mobile networks and facilities and believes that those companies' networks are capable of managing traffic spikes that may occur during emergency situations and can reroute traffic in the event of damaged facilities. Assist also understands that Sprint and T-Mobile have sufficient back-up power to ensure functionality if its external power supply is unavailable.

e) *Assist will satisfy applicable consumer protection and service quality standards*.[32]

Section 54.202(a)(3) of the Commission's rules states that a wireless applicant's commitment to comply with the Cellular Telecommunications and Internet Association's Consumer Code for Wireless Service (CTIA Consumer Code) will satisfy this consumer protection and service quality requirement. Assist fully complies with applicable consumer protection requirements and commits to comply with the CTIA Consumer Code. Assist complies with the CTIA Consumer Code to ensure it offers its subscribers the highest level of protection and quality service. Assist's pledge to provide quality service and voluntarily to comply with this code evidences its commitment to satisfying all of the applicable consumer protection and service quality standards. For example, Assist's Customer Service department is available from 10:00 AM CST to 6:00 PM CST Monday through Friday, and can be reached by

[31] *See* 47 C.F.R. § 54.202(a)(2); Lifeline Broadband Provider Guidance Public Notice ¶ 10.
[32] *See* 47 C.F.R. § 54.202(a)(3); Lifeline Broadband Provider Guidance Public Notice ¶ 10.

phone at (855) 392-7747. Alternatively, Assist customers can reach customer service by dialing 611 on their Assist smartphone device.

f) *Assist is financially and technically capable of providing Lifeline-supported mobile broadband services in compliance with the Commission's rules*.[33]

Commission rule 54.202(a)(4) requires ETC petitioners to demonstrate financial and technical capability to comply with the Commission's Lifeline service requirements.[34] Among the factors the Commission will consider are: a petitioner's prior offering of service to non-Lifeline subscribers, the length of time the petitioner has been in business, whether the petitioner relies exclusively on Lifeline reimbursement to operate, whether the petitioner receives revenues from other sources and whether the petitioner has been the subject of an enforcement action or ETC revocation proceeding.

Assist provides several other telecommunications and broadband services to non-Lifeline customers, in addition to its Lifeline service offerings, and, therefore, is not solely dependent on Lifeline subscribers for its revenues. The Company has provided wireless telecommunications service for over five years and currently has a subscriber base of nearly 90,000 subscribers. Consequently, the Company has access to sufficient funds to operate its business and is not solely dependent on reimbursement from the Lifeline Fund. In addition, Assist's over five years of experience providing telecommunications services, three years providing broadband service and reliance on the networks of its underlying carriers ensures the Company has the technical capability to provide Lifeline broadband services in accordance with the Commission's rules. Moreover, Assist has not had its ETC designation revoked in any state.[35]

---

[33] *See* 47 C.F.R. § 54.202(a)(4); Lifeline Broadband Provider Guidance Public Notice ¶ 10.

[34] *See id*.

[35] Assist reached settlement agreements earlier this year in three enforcement proceedings before the Oklahoma Corporation Commission (OCC), which ultimately were concluded without

g) *Terms and conditions of Assist's Broadband plan for Lifeline subscribers*.[36]

Assist will offer Lifeline subscribers a single, market-leading broadband service with 500 MB of mobile broadband data, 500 voice minutes, and 500 text messages, each month at a cost of $10.00 to the consumer for non-Tribal subscribers, and 500 MB of mobile broadband data, 1,000 voice minutes and unlimited text messages each month at no cost to the consumer for Tribal subscribers. To maximize consumer choice and flexibility, consumers will also have the option of purchasing additional units of data top ups, at the following rates:

Data Top Ups	• $4.00 – 100 MB • $16.00 – 500 MB • $20.00 – 1 GB
Voice Top Ups	• $4.00 – 100 minutes • $8.00 – 200 minutes • $11.00 – 400 minutes • $20.00 – 1000 minutes
Text Top Ups	• $5.00 – 1000 SMS • $10.00 – 2000 SMS • $16.00 – 4000 SMS
Voice and Text Top Ups	• $7.00 – 100 minutes / 1000 SMS • $13.00 – 250 minutes / 2500 SMS • $19.00 – 500 minutes / 5000 SMS

These supplemental packages, or "top-up" minutes and data will be available for purchase at Assist's website or by telephone (or at retail locations in Oklahoma). Additional information

a final determination or admission by the Company that Assist violated the OCC's or Commission's rules or Lifeline program requirements. Assist's financial and technical ability to provide Lifeline service will not be materially compromised as a result of these settlement agreements.

[36] *See* 47 C.F.R. § 54.202(a)(6); Lifeline Broadband Provider Guidance Public Notice ¶ 10.

regarding the Company's plans, rates and services as well as the applicable terms and conditions, are included on the Company's website at www.assistwireless.com.

> h) *Assist will advertise the availability of its service and charges in a manner reasonably designed to reach Lifeline-eligible consumers and will comply with the Commission's revised rules regarding information to be included in advertisements*.[37]

Assist intends to offer its Lifeline-supported mobile broadband services to all eligible low-income consumers and, accordingly, will advertise its Lifeline services using media reasonably calculated to reach the general public as clarified in the Lifeline Modernization Order. In that order, the Commission clarified that "media of general distribution" is "any media reasonably calculated to reach the general public or, for an LBP, the specific audience that makes up the demographic for a particular service offering."[38] Assist's advertising may include mobile enrollment events as a means of reaching those consumers that are likely to qualify for Lifeline broadband services and who may lack available means to fax or scan and email proof of eligibility documents. The Company will use these media to advertise the availability of its services to Lifeline subscribers and will expand its advertising efforts if necessary to ensure that Lifeline-eligible subscribers are aware of the service offerings.[39]

Assist will ensure that all of its Lifeline advertising materials comply with section 54.405(c) of the Commission's rules. Specifically, Assist's advertising materials will state, in easily understood language, that: (i) the service is a Lifeline service; (ii) Lifeline is a government assistance program; (iii) the service may not be transferred to someone else; (iv) consumers must meet certain eligibility requirements before enrolling in the Lifeline program; (v) the Lifeline

[38] Lifeline Modernization Order ¶ 364.

[39] *See* 47 C.F.R. § 54.405(b).

program permits only one Lifeline discount per household; (vi) that documentation is necessary for enrollment; and (vii) Assist is the provider of the services.[40] In addition, Assist's application/certification form will state that subscribers who willfully make a false statement in order to obtain the Lifeline benefit can be punished by fine or imprisonment or can be barred from the program.

i) *Assist will comply with the additional ETC obligations.*

Assist is aware of the Commission's current requirements regarding certification and verification of a customer's qualification for Lifeline service[41] and has implemented procedures to ensure the requirements are met.[42] As described in Assist's Compliance Plan, Assist has detailed and comprehensive procedures in place to address customer certification and verification requirements as well as those requirements addressing de-enrollment and duplication of benefits.[43] These procedures comply with the Commission's customer certification and verification requirements.[44] Assist also will check the applicant against the National Lifeline Accountability Database, as well as its own duplicate checking system, prior to initiating service and will utilize the National Lifeline Eligibility Verifier once that system is available.[45] Assist also will comply with the annual certification and reporting requirements and the Commission's measures to prevent waste, fraud and abuse of Lifeline services.[46] Assist will not seek Lifeline

---

[40] *See* 47 C.F.R. § 54.405(c).

[41] *See* 47 C.F.R. § 54.410.

[42] 2012 Lifeline Reform Order ¶ 110. Assist will retain copies of documentation demonstrating the applicant's income-based or program-based eligibility determination for Lifeline service as required by Commission rules. *See* 47 C.F.R. § 54.410(b)(1)(ii), (c)(1)(ii).

[43] *See* 47 C.F.R. §§ 54.405(e), 54.410(d)-(f).

[44] *See* 47 C.F.R. § 54.410.

[45] *See* Lifeline Modernization Order ¶ 126.

[46] *See* 47 C.F.R. §§ 54.416, 54.422.

reimbursement for any subscriber that received Lifeline-supported mobile broadband service from another provider within the previous 12 months except as permitted by Commission rules.[47]

Further, Assist will not enroll applicants at retail locations where the Company does not have an agency agreement with the retailer. Assist will require an agent retailer to have any employees involved in the enrollment process go through the Company's Lifeline-specific training as it would for any other agent. By establishing agency relationships with all of its field representatives Assist meets the "deal directly" requirement adopted in the TracFone Forbearance Order.[48]

The Commission determined in the 2012 Lifeline Reform Order that ETCs may permit agents or representatives to review documentation of consumer program eligibility for Lifeline because "the Commission has consistently found that '[l]icensees and other Commission regulatees are responsible for the acts and omissions of their employees and independent contractors.'"[49] Because Assist is responsible for the actions of all of its employees and agents, including those enrolling subscribers in any Assist owned or affiliated retail locations, and an Assist employee will be responsible for overseeing and finalizing every Lifeline enrollment prior to including that subscriber on an FCC Form 497 for reimbursement, the Company always "deals directly" with its subscribers to certify and verify the customer's Lifeline eligibility.

---

[49] 2012 Lifeline Reform Order ¶ 110.

Finally, Assist does not charge a number-portability fee for Lifeline accounts.[50] Assist timely pays all applicable federal, state, and local regulatory fees, including universal service and E911 fees.

j) *Assist qualifies for streamlined processing of its LBP ETC designation.*

The Commission's Lifeline Modernization Order, as reflected in new rule 54.202(d), provides a streamlined process for approving LBP ETC petitions where certain criteria are met.[51] To qualify for LBP ETC designation, applicants must meet the ETC requirements of section 214(e) of the Act, and FCC rules 54.201 and 54.202.[52] However, petitions for LBP ETC designation will be deemed granted, unless the Commission notifies the applicant otherwise, within sixty days of the submission of a complete petition if the filer demonstrates financial stability and experience in providing broadband service.[53] To meet this showing, applicants must show that they have provided broadband internet access or voice service to at least 1,000 non-Lifeline subscribers.[54] In addition, the applicant must have offered broadband service, without interruption, for the two years prior to the filing date.[55]

Assist meets all of the requirements for streamlined LBP ETC designation. Assist provided, in sections II (a)-(i), *supra*, all of the information required by section 214(e) of the Act and FCC rules 54.201 and 54.202. Moreover, Assist has been providing, without interruption,

[55] *See id*.

both voice telecommunications and broadband service to non-Lifeline customers since 2013.[56] As of the date of this filing, the Company served nearly 1,500 non-Lifeline subscribers. Accordingly, Assist meets all of the criteria for streamlined grant of its LBP ETC designation.

III. THE PUBLIC INTEREST WILL BENEFIT FROM GRANTING LBP ETC STATUS TO ASSIST

The Commission's rules require that, before granting a request for ETC designation, the Commission must find that grant of the designation would be in the public interest.[57] In determining if the public interest showing has been met, in the context of voice Lifeline service, the Commission considers the "benefits of increased consumer choice and the unique advantages and disadvantages of the applicant's service offering."[58] These considerations should apply equally to an LBP ETC designation public interest showing.

The Commission has described broadband as the "essential communications medium of the digital economy," noting that "[a]ccess to broadband shortens the distance to high-quality education, meaningful employment, and reliable healthcare. It is now the dominant technology used to communicate, educate, inform, and entertain."[59] However, the Commission has recognized that a "digital divide" still exists with low-income consumers "adopting broadband at rates well below the rest of the country."[60]

Grant of Assist's Petition will enable the Company to provide Lifeline-eligible consumers with access to convenient and much-needed Internet access at 3G speeds thereby

[59] Lifeline Modernization Order ¶ 12.

[60] *Id*. ¶ 19.

helping to bridge the digital divide. In addition, entry of Assist to the Lifeline-supported mobile broadband market will result in a source of quality broadband service that may spur other ETCs to offer competitive Lifeline broadband service offerings. Moreover, Assist's Lifeline-supported mobile broadband service plan is designed with disadvantaged consumers in mind and, as such, will help the Commission meet core Lifeline program goals, including closing the jobs and homework gaps and increasing competitive pressure to ensure that subscribers get high value for their Lifeline benefits.

Specifically, the Company will offer to low-income consumers mobile broadband service with 500 MB of mobile broadband data, thereby increasing consumer choice and making services more affordable and accessible. The monthly 500 MB of mobile broadband data provides speed and capacity for consumers to utilize the Internet to meet their work, health and school-related needs. When coupled with free Wi-Fi available in community anchor institutions, local businesses and elsewhere, Assist's mobile broadband service will enable subscriber access to multiple gigabytes worth of data each month, enabling those consumers to use data-hungry apps and services such as online video courses and real-time video communications just like non-Lifeline consumers. The Company will also offer for purchase, smartphones with hotspot capability. The hotspot capability enables consumers to use their Assist data by tethering a variety of different devices, including laptops and tablets, to complete homework assignments or conduct other activities that sometimes require a larger screen.

Assist's broadband service will enable Lifeline-eligible subscribers to access the Internet for tasks such as researching jobs, communicating with their employer, children's schools or family and friends by email, or completing homework assignments. The mobile nature of the service will be particularly attractive to Lifeline-eligible consumers who will now have

immediate and convenient Internet access – at home, on a bus commuting to work or school or during a lunch break at work – thereby eliminating the need to undertake time-consuming or costly travel to a library or other location for public Internet access.

Assist recognizes that Lifeline-eligible consumers are often faced with making difficult choices about how to allocate and spend their limited resources. The ability to meet their Internet access needs while at the same time anticipating and controlling the associated costs is critical. Assist's Lifeline-supported mobile broadband service provides consumers with guaranteed broadband capacity each month but the Company also provides consumer-friendly data top-up options, starting at $4.00, that enable subscribers to tailor their broadband services to their variable needs and budgets. This supplemental "top-up" data, will be available for purchase at Assist's website and by telephone.

Assist's experience and longevity as a provider of Lifeline services in many states demonstrates the Company's commitment and ability to provide quality Lifeline services to eligible, low-income consumers in compliance with program requirements. As of the date of this filing, Assist provided Lifeline voice telecommunications services to over 86,000 Lifeline subscribers and has established detailed and comprehensive procedures to ensure service is provided in compliance with Lifeline requirements. Assist will leverage this experience and expertise to ensure its Lifeline-supported mobile broadband services are offered in compliance with the Commission's rules, thereby eliminating waste, fraud and abuse of the Lifeline program. This proven track record, combined with an attractive offering of broadband capacity, the ability to supplement capacity at affordable rates and the provision of a Wi-Fi-enabled smartphone ensures Assist will provide more choices and more value for Lifeline eligible consumers. Accordingly, grant of the Petition is in the public interest.

IV. ANTI-DRUG ABUSE CERTIFICATION

Assist certifies that no party to this Petition is subject to a denial of federal benefits that includes Commission benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862.

V. CONCLUSION

For the foregoing reasons, Assist asserts that grant of the instant Petition for Limited Designation as an LBP ETC is in the public interest and is warranted in accordance with section 214(e)(6) of the Act.

Respectfully submitted,

John J. Heitmann
