RE: Notice of Provision of Consumer Broadband Only Loop Service on a Permissive Detariffed Basis

CC Docket No. 02-33

Dear Ms. Dortch,

In accordance with the FCC's 2016 Rate of Return Reform Order,[1] Coon Creek Telephone Company is hereby providing the FCC with the attached notice of the Company's election to provision its consumer broadband only loop service on a permissively detariffed basis, effective February 1, 2017. In addition, following the notice to the FCC is the notice that Coon Creek Telephone Company furnished its affiliated Internet service provider, which is presently the only customer of the Company's consumer broadband only loop service.

A copy of this notice is also being sent to the Iowa Public Utilities Commission, the Governor of Iowa, Special Assistant for Telecommunications at the Department of Defense and the National Exchange Carrier Association.

If you have any questions, please feel free to contact me.

Sincerely,

Debra Lucht

Notice of Provision of Consumer Broadband Only Loop Service On A Permissive Detariffed Basis

CC Docket No. 02-33

The Federal Communications Commission in its March 30th, 2016 Rate of Return Order established revised cost allocation procedures to provide support for broadband-capable network loop costs. Therein, the Consumer Broadband Only Loop (CBOL) rate was established as means of recovering a portion of the loop costs associated with providing broadband only service. The Federal Communications Commission afforded carriers the option of tariffing the rate in their interstate common line tariff, or to offer the service on a permissively detariffed basis. Today Coon Creek Telephone Company provides notice of its intent to offer the Consumer Broadband Only Loop service on a permissive detariffed basis, effective February 1, 2017.

Coon Creek Telephone Company will post the rates, terms and conditions of its Consumer Broadband Only Loop service to its website of www.cooncreektelephone.com. The Company will also make physical copies of its offering reflecting the rates, terms and conditions available for public inspection at its business office, at the address provided below:

Coon Creek Telephone Company
312 Locust St. NE
Blairstown, Iowa 52209

The permissive detarffing of Coon Creek Telephone Company's Consumer Broadband Only Loop offering will apply to the entirety of the Company's study area.

Coon Creek Telephone Company currently has only one customer for its Consumer Broadband Only Loop and other broadband Internet access transmission service. That customer is the Company's own non-regulated Internet service provider (ISP) affiliate. The Company's affiliated ISP purchases Consumer Broadband Only Loop and broadband Internet access transmission service for use as an input for the broadband Internet access services it offers to residential and business end-user customers. The provision of the Consumer Broadband Only Loop service as a detariffed service will have no effect on the end-use services provided by the Company's affiliated ISP. On January 17, 2017, Coon Creek Telephone Company furnished its affiliated ISP with the attached memorandum, which notifies the ISP of the Company's plan to provide its Consumer Broadband Only Loop service on a detariffed basis.

RE: Notice of Provision of Consumer Broadband Only Loop Services On A Permissive Detariffed Basis

Dear Valued Customer,

This is to notify you of a change in the way in which Coon Creek Telephone Company provides its Consumer Only Broadband Loop service, which is used as input for the broadband Internet access services that you offer to residential and business end-user customers.

Presently, Coon Creek Telephone Company provides its Consumer Only Broadband Loop service under a tariff through the National Exchange Carrier Association (NECA) Tariff F.C.C No. 5. The Company will no longer offer such DSL transmission service pursuant to a Tariff effective February 1, 2017. On and after February 1, 2017 services will be made to you on a common-carrier, non-tariffed basis.

To view the rates, terms and conditions of our Consumer Broadband Only Loop services, please visit the Company's website at www.cooncreektelephone.com. In addition, printed copies of the rates, terms and conditions will be available at our office, during normal business hours.

Coon Creek Telephone Company
312 Locust St. NE
Blairstown, Iowa 52209

Please note that the existing relevant rates, terms and conditions of your service will not change until the end of your existing term or upon replacement of a new agreement under the detariffed rates, terms and conditions.

Sincerely,

Debra Lucht
