Re: *Notice of Exparte: 2016 Biennial Review of Telecommunications Regulations; Rule Parts Containing Regulations Administered by the International Bureau, IB Docket No. 16-131*

Dear Ms. Dortch:

On February 9, 2017 the undersigned of AT&T met with Tom Sullivan, Acting Chief of the International Bureau, and discussed the FCC's international reporting requirements. I noted that, as stated in AT&T's Reply Comments in the above proceeding filed on January 3, 2017, these burdensome rules are no longer relevant in today's highly competitive international market and should be modified or removed.

This contact was not previously reported as the result of an inadvertent oversight. AT&T respectfully requests that the Commission waive the requirements of Rule 1.206 to the extent such waiver may be required.

Sincerely,

Eric Loeb
