Re: Morrow County School District and Morrow Development Corporation
Request for Review of the Decision of the Universal Service Administrator
Application File Nos. 254806 (FY2001), 361855 (FY2003), 366035 (FY2003), 413243 (FY2004)
Request for Withdrawal and Dismissal of Joint Petition for Reconsideration, MDC Appeal, and MDC Supplement

Dear Ms. Dortch:

On June 24, 2013, the Morrow County School District ("MCSD") and Morrow Development Corporation ("MDC") filed the above-captioned joint petition for reconsideration ("Joint Petition") seeking Wireline Competition Bureau review of a May 24, 2013 Order denying E-rate appeals filed by MCSD. That Order disposed of the appeal and supplements filed by MCSD, but did not address a separate appeal filed by MDC on March 12, 2009 ("MDC Appeal"), which was subsequently supplemented on May 27, 2010 ("MDC Supplement"). As such, the MDC Appeal and MDC Supplement remain pending before the Wireline Competition Bureau. MCSD and MDC have reached a settlement agreement with the Federal Communications Commission to resolve the appeals regarding the above-captioned applications. Accordingly, MCSD and MDC hereby request withdrawal and dismissal of the Joint Petition, MDC Appeal, and MDC Supplement.

Please do not hesitate to contact the undersigned should you have any questions regarding this matter.

Sincerely,

Jennifer L. Richter
Counsel for Morrow County School District and
Morrow Development Corporation
