Return Policy: You may return or exchange wireless devices and accessories from Verizon within 14 days. There will be a $35 restocking fee for any return or exchange of a wireless device (excluding Hawaii). See vzw.com/returnpolicy for complete details and information on returning your equipment. Your wireless service will continue until you contact Customer Service at 1-800-922-0204 to disconnect service.
Business and Government customers: Contact your Verizon Account Manager or refer to your contract for return policy details.

Explanation of charges: The monthly Federal Universal Service Charge is 17.90% of interstate and international telecom charges (varies quarterly). The monthly Regulatory Charge is $0.21 per line for voice capable devices, or $0.02 per line for data only devices. The monthly Administrative Charge is $1.23 per line for voice capable devices, or $0.06 per line for data only devices. These are Verizon' s charges, not taxes. Taxes, surcharges and other fees, such as E911 and gross receipt charges, can add between 14.00% and 42.00% to your monthly bill, and are added to your monthly access fees and airtime charges.

California – Questions About Your Bill?

Call Customer Service at 1–800–922–0204. Send written disputes to: Verizon Wireless, Customer Service, 777 Big Timber Road, Elgin, IL 60123. Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**
