RE: FY 14/15, USD223 Barnes, FRN#2873778, 471 App# 944066.

In reviewing my accounts, I discovered payment has not been received on the invoice I submitted on September 14th.

I resubmitted a SPI on line yesterday.

I am appealing the invoicing deadline rule for this situation.

This is a forward of my original invoice submission, which was not processed by USAC.
