RE: CC Docket 02-33 – Notice of Permissive Detariffing of Wireline Broadband Internet Access Service by Ontario Telephone Company, Inc. (Study Area 150112)

Dear Secretary Dortch:

Pursuant to the Commission's Wireline Broadband Order, Ontario Telephone Company hereby provides notice of its intent to discontinue offering wireline broadband internet access service on a tariffed basis. Effective July 1, 2017, Ontario Telephone Company plans to offer wireline broadband internet access service on a permissive detariffed, common carriage basis in our Clifton Springs and Phelps exchanges. Our customer notice is also attached for your records.

Please contact me with any questions regarding this notice.

Sincerely,

Sean Socha, CFO
Ontario Telephone Company, Inc.

CC Docket No. 02-33

April 24, 2017

Ontario Telephone Company, Inc. (Company) hereby provides notice that it intends to cease offering Wireline Broadband Internet Access Service (WBIAS) on a tariffed basis. Effective July 1, 2017 the Company will begin offering WBIAS on a Title II Common-Carriage, permissive detariffed basis pursuant to paragraph 94 of the Federal Communications Commission's Wireline Broadband Order[1].

The geographic areas affected are the Company's exchanges, Clifton Springs and Phelps, where WBIAS is technically feasible.

The only customer for the Company's WBIAS is the Company's nonregulated Internet Service Provider ("ISP") operation, which provides broadband internet service to residential and business customers. The discontinuance of the tariff offering of WBIAS will have no effect on the end user service provided by the company.

The company will continue to make WBIAS available on a common-carriage basis. Rates, terms and conditions of service will be available at the Company's business office located at 7890 Lehigh Crossing, Victor, NY 14564, and on the Company's website at http://www.ottctel.com.
