To Whom It May Concern:

This will serve to formally submit an FCC Appeal for a request for revised funding - 2014-2015 for **Career Success High School** as it pertains to the following applicant information:

- **Billed Entity Name:** Career Success High School
- **Billed Entity Number:** 16060353
- **Form 471 Application Number**:997953
- **Application Type**: Category Two
- **FRNs**: 2722997, 2723022
- **Service Provider:** Logicalis, 143004779 (SPIN).
- **Funding Year:** 2015
- **Contact Information:**
  - John Egan
  - Phone: 480-473-5785
  - E-mail: john.egan@@getfunded.net
- **Appeal Reason:** Ministerial and Clerical Error made by the consultant on the applicant's behalf. We failed to include the non-recurring installation and configuration charges within the aforementioned FRNs when we authored the form 471.
- **Appeal Explanation:** GETFUNDED, on behalf of Career Success High School, is appealing application number 997953 which was approved with a ministerial and clerical error on FRN 2722997 and 2723022

  The Logicalis FRNs were approved for Internal Connections in the amount of $42,530.47 but this only included the purchase price of the eligible IT assets. It did not include the installation charges of $23,245.90 as well as the eligible sales tax of $4,048.51). Both of the aforementioned charges were omitted in the original FRNs by mistake, caused by the consultant.

  I have enclosed a copy of the Logicalis signed agreement to prove my point further.

  I am requesting that the additional funding of $27,294.41 that was included within the original proposal/agreement be added post-approval to the approved funding for this applicant.

  This mistake was a clerical error on the part of the consultant and not the fault of the applicant school as they followed all E-Rate program bidding rules and provided the consultant with the correct information. The mistake was clearly out of their hands and the fault of only the consultant, GETFUNDED.

Please contact me if you have any further questions about the application.

Thank you in advance for your consideration in this important matter.

Sincerely,

John Egan
