October 2015

Ms. Marlene Dortch, Secretary
Federal Communications Commission
445 12th Street SW
Washington, DC 20554

Dear Ms. Dortch:

Please find attached 49,234 petition signatures supporting the Federal Communications Commission's adoption of a new order capping the rates and fees of all calls from correctional facilities. The petition reads:

> To the FCC: Place a cap on the predatory rates phone companies charge inmates and their families.

These petition signatures are from members of the corporate accountability nonprofit SumOfUs. At earlier stages of this proceeding, we sent you 23,585 public comments on December 13, 2013 and 36,690 public comments on Nov. 15, 2012, which we note you cited in the second footnote of the Second Notice of Proposed Rulemaking in October 2014.

We urge the FCC to pass the order outlined in the fact sheet of September 30; and we urge the companies involved to comply with your order.

Sincerely,

Taren Stinebrickner-Kauffman
