CC Docket No. 02-33

Ellington Telephone Company hereby provides notice that it intends to cease offering wireline broadband internet access service on a tariffed basis. Effective July 1, 2017 Ellington Telephone Company will begin offering wireline broadband internet access service on a Title II, common carriage, permissive detariffed basis pursuant to paragraph 94 of the Federal Communications Commission's Wireline Broadband Order[1]. The geographic areas affected are those Ellington Telephone Company exchanges where DSL is technically feasible.

Today, this service is provided to Ellington Telephone Company's ISP. The ISP purchases wireline broadband access service for use as a component in their broadband internet service sold to residential and business consumers. End user service provided will not be affected by discontinuance of the tariffed offering by Ellington Telephone Company. As stated in the attached customer notice Ellington Telephone Company will continue to offer services to existing ISP customers under current rates, terms and conditions until the end of their current term or upon replacement with a Broadband Commercial Agreement.

Ellington Telephone Company's rates, terms and conditions for its permissively detariffed wireline broadband access service will be available at its office located at 200 College Ave, Ellington, MO 63638 and on its website at http://www.ellingtontelephone.com/

Dear Valued Customer:

CC Docket No. 02-33 - Notice of Permissive Detariffing of Wireline Broadband Internet Access Service by Ellington Telephone Company- Study Area #421874

Currently Ellington Telephone Company DBA McCormack Online is purchasing wholesale broadband transport service from Ellington Telephone Company under NECA Tariff Number 5. This letter is to notify that effective July 1, 2017 services will be provided to you on a common carrier, non-tariffed basis.

The existing relevant rates, terms and conditions will not change for your existing service. Ellington Telephone Company's rates terms and conditions for its non-tariffed wireline broadband access service are available at its office located at 200 College Ave, Ellington, MO 63638 and on its website at http://www.ellingtontelephone.com.

The actions described above are taken in accordance with the FCC's Report and Order (FCC 15-150) released September 24, 2005 in Docket No. 02-33. In the order the FCC determined that facilities-based wireline broadband internet service providers could offer their services on a common carrier, permissively detariffed basis.

Sincerely,

Dee McCormack
