I am ~~in favor of~~ Candidates showing these ads on T.V.
I feel the public should be informed of the procedures and methods of this terrible act and the end resut - (a dead child.)
We don't need to cover it.

Please do not consider banning T.V. ads prepared by our political candidates that depict actual abortion and still pictures of aborted babies.

I want our candidates to be able to show abortion ads so that our society will be exposed to the murders of pre-born children. The depiction of the atrocities in the Nazi death camps has not been banned, why should abortion depiction be banned? Your views please.

Sincerely
Frank R. Patrick

DEAR SECRETARY,

I AM WRITING TO EXPRESS MY OPINION ON BANNING T.V. ADS, BY POLITICAL CANDIDATES, THAT DEPICT AN ACTUAL ABORTION OR PICTURES OF ABORTED BABIES.

THESE MUST BE SHOWN SO THAT OUR SOCIETY DOES NOT CONTINUE TO REMAIN IN DENIAL ABOUT WHAT ACTUALLY HAPPENS TO THE PRE-BORN BABY DURING THE ABORTION PROCEDURE. DO NOT BAN THE ADS.

SINCERELY - GAETANA YOUNGS

Dear F.C.C.:

I wish to address the issue of abortion on television. I believe through the medium of television we must show the horror of abortion to avert the ignorance of this issue. We already present this issue to our elected officials but we need to show the public what we are attempting to achieve.

The bottom line is we cannot kill our unborn children. We need to save our unborn and show the people through T.V. why. Thank you.

Sirs

I want Consideration to be able to claim such as ads of Fetuses as that [illegible] Dorothy will be exposed to the horror of pre born child Killing

Dear FCC, Re: possible rule change on political ~~advertising~~

I read that you are ~~taking~~ public comments in regards to whether TV station managers should be given new power to restrict political ads. I do not feel TV station managers should have power to restrict/edit political ads. That gives greater political power to a few.. The media already has much power to sway public opinion. Should a need be felt to restrict/edit political ads it should be done by someone who is not part of the media, not station managers.

Thanks for listening.

Sincerely,

Ref. Public Comment on Censoring Political Ads with Aborted Babies

No. of Copies rec'd 0
List A B C D E

Dear Sir!

Please do everything in your power to allow political ads to remain uncensored. What kind of double standard do proponents of censoring the truth concerning abortion profess? These same people have promoted explicit sex, profanity, and violence on TV for the last twenty years. Now when the truth concerning abortion is broadcast they cry out for censorship.

Please allow political ads to remain uncensored so the people of this great country may judge for themselves whether abortion is a "right" or an affront against everything that is just and decent.
