Dear FCC Proceeding Number 16-41

My Contact Name: Susan Kniffen

My Address: 2065 Clove Road, LaGrangeville, NY 12540

My Phone Number: (845)724-5246

We watch RFD-TV on DirecTV.

My husband and I would be lost without RFD-TV. I am 72 years old and he is 84. I still have horses and like to see the equine shows. He likes the tractor shows. We both like the musical shows (Porter Wagoner, Pop Goes the Country, Nashville on the Road, Country's Family Reunion, Larry's Diner, and Hee Haw). No other channel offers these kind of shows. We even watch paid programming shows because we feel they are more entertaining than other channels. We feel since we have always had RFD-TV and pay for TV service that we should still be able to receive it. Not every age group likes to watch the same shows and as far as we are concerned the shows on the other channels stink!

Thank you for this opportunity.

Sincerely,

Susan Kniffen

TO FCC

We are elderly people who watch RFD TV very devoted. We watch country music, Hee Haw, Porter Wagoner, The Country Family Reunion, the list goes on and on.

So grateful we still have RFDTV to keep in touch with Joey Feek a singer who died very young.

It helps us stay in touch with the South and farming as I was born on a farm. And today garden. RFDTV have many important shows for country people. Without RFDTV would be like not having indoor plumbing (water etc) no electricity

Dear FCC 1641

Please do not cancel my favorite station RFDTV. It has very good shows and I watch it every day. Even though I'm a 85 year old female, I still like to see the farm events and enjoy the music immensely.

There is no better entertainment than RFDTV. Especially, I like the old country music shows.

Please do not cancel because it is the most important show on TV. I do not like most of the new shows that is being shown. Most aren't fit for my young great grandkids to watch. I'm embarrassed to see what's on some of the channels. Please keep RFDTV.

Dear FCC, 16-41

Please do not take R.F.D. off the air!!!

RFD is the most educational entertaining show on television! I'm a senior and RFD brings back memories of me as a young girl watching Hee-Haw with my hard working Hoosier parents. They also supported 11 children on the family farm. They worked so hard to feed us kids. RFD is a channel that we must have. Its Number 1

Ps Pleas Stop the urban cable people

Seriously.

I live on a small farm. I like to watch RFD, it has many good programs. I have "Dish" so I still get RFD. People need to know about farmers and where their food comes from. years back our city Cousins came to spend time in summer on our farm, because the parents grew up on a farm.

I watch "RFD.TV" on "Direct TV Satellite System". I watch "RFD.TV" FREQUENTLY.

We need to STOP LARGE, GREEDY CITY CABLE COMPANIES FROM DROPPING OR BLOCKING THE INDEPENDENT "RFD.TV" STATION. THIS IS DISCRIMINATION!!! These large urban cable companies as BIASED AGAINST RURAL EDUCATION!!

"RFD.TV" IS TRULY AN EDUCATIONAL STATION. Rural Americas is IMPORTANT!! Agriculture is America's backbone. No other TV station has complete Agricultural information. "Destroy our farms & grass will grow in the streets of the cities". Many of our Senior Viewers have their roots in Rural America. "RFD.TV" helps to reconnect the city with the country.

"RFD.TV" is FAMILY ORIENTED. It reaches family members of all ages. It gives homemakers good advice & ideas. It helps children know how to care for their pets. It does NOT have violence in their programs. It helps adults to continue to plan & work together for the good of their families & to appreciate what they have.

"RFD.TV" has EXCEPTIONAL EQUINE PROGRAMS. "EQUESTRIAN NATION" has programs of some of the Legends in the Horse World, like Tom & Margaret Dorrance, Buck Brannaman, and Jimmy Williams. "GENTLE GIANTS" is all about the Draft Breeds, what they can do & how they are trained. Many hours are shared by knowledgeable horse clinicians, like Buck Brannaman, Pat Parelli, Chris Cox, etc. These clinicians help us to learn safe, humane, non-abusive methods of communicating with & working with our horses. People all across the U.S. have pets --horse, dogs, cats, & livestock. The PRODUCT SPONSORS educate us on how their products can help to keep our animals safe & healthy.

Another FABULOUS SPONSOR ON "RFD.TV" is "MR. TRUCK". He continually finds & shares new ideas for the safety of trucks & trailers. Over the years, there has been a BIG INCREASE of truck owners. Many truck owners haul some kind of a trailer -- horse, cattle, cargo, flatbed, camper, etc. If a truck owner finds even ONE ITEM from "Mr. Truck" that makes towing his rig safer, & prevents even one accident or saves one life, what a blessing to all concerned.

"RFD.TV" also offers sports, namely all those associated with Rodeo -- Bareback Riding, Saddle Bronc Riding, Barrel Racing, Bull Riding, etc. Again, the sport of Rodeo dates way back to our Rural heritage & beginnings.

3/19/16

Dear Sirs: 1641

My husband and I are dairy farmers (retired). Our son now runs the farm. Our grandson will be the 7th generation on this farm.

We do not care for all the garbage that is on regular TV. (shootings, sex, etc.) No wonder the world is like it is today, with that as an example

We do care for RFD-TV. We would not watch TV if RFD-TV is taken off. For anyone that loves the land and farming, that is the station to watch. There is a lot of farmers in this country. & I'm sure they watch RFD-TV.

Please do not take it off the air.

Thank you.

To Whom it may Concern:

Very concerned that RFD maybe taken off! It is a decent, educational station that children and adults can watch together —

The music, the weather, the farm and rodeo shows, ~~[illegible]~~ info on cows, horses, sheep, goats, etc is very valuable to all ages. The cooking and recipes are basic to the everyday family —

The souped up, murders, zombies, ~~ghosts~~, wild music, hosts that are out yelling the guests, ~~[illegible]~~ biased programs, all ~~this~~ is not good for the regular person.

Please do not take RFD off the air —
