WC Docket No. 10-90
Notice of Existing Broadband Coverage Within
CenturyLink Proposed CAF Phase I Round 2
Deployment Census Blocks

Pursuant to Public Notice DA 16-1072, this letter serves as notice to the FCC and to CenturyLink that Rural Telephone Company (FRN 1551423) is a local exchange carrier currently offering qualifying broadband service in some of the 9,703 "unserved" and "underserved" census blocks CenturyLink has recently proposed to serve using CAF Phase I incremental support.

Rural Telephone Company offers fixed Internet speeds of 3 Mbps downstream and 768 kbps upstream or higher service in the following census block(s):

160399601003248, 160399601003242, 160399601003217,160399601003093

As a result, the above census blocks(s) should be considered "served" for the purposes of CenturyLink's upcoming 54.312(c)(4) certification. If you have any questions, please contact me at Heath.Koth@VantagePnt.com.

Sincerely,

Heath Koth
Senior Financial Analyst
