Dear Sirs,

We heard on WPIT (101.4) radio news that the FCC was taking letters concerning the subject of TV stations having the right to choose whether or not to show certain campaign ads. 92-254

We do not feel it should be up to the station because they are biased now, what would happen if they chose what they wanted to air. It would not be fair to all parties involved.

We might not like what the other side has to say about it, but at least our side could combat it.

Sincerely yours

Scott & Yvonne Boice
