FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Gentlemen,

I just received my January bill from my TV Cable supplier. Last year bill was $21.50 a month - the new bill is $25.00 an increase of 16.27%

Since 1986 cable suppliers have had a free ride and now they know that the FCC might control their increases in April the put through this large increase before that date. The FCC should control their pricing and also roll back this injustice increase. How can the consumer be protected. Many of our utilities are controlled
