24 Description of Broadband and other Connectivity Services Ordered for Schools and Libraries from this funding request

Complete the information below for this funding request only if requesting **Telecommunications Services** or **Internet Access** for the purpose of providing broadband and other types of connectivity to school and/or library facilities.

[ ] Check this box if this request is for services or equipment that do not providing broadband or connectivity and skip to Item 25. For instance, check the box if this funding request is for internal connections, basic maintenance, or requests for services like e-mail or phone service.

a Which technology(ies) and speed(s) are being provided in this Funding Request? Please list the number of lines and average download speed for the lines included in this funding request. If there are multiple download speeds for the lines within one type of broadband connection, this form provides two additional lines per broadband connection category. If you need additional space, please makes copies of this page and number the completed pages to assure that they are all processed correctly. A response to this item is not a substitute for a complete response to Item 21 but should be consistent with the description of services in the response to Item 21. Please ask your service provider if you need assistance.

For example, if an applicant was requesting three DSL connections, two averaging 2 Mbps download speed and a third averaging 3 Mbps download speed, the entries would look like this:

Type of connection	Number of lines included in this FRN	Download speed per line in Mbps
DSL	2	2 Mbps
DSL	1	3 Mbps

Example

Type of connection	Number of lines included in this FRN	Download speed per line in Mbps
