CC Docket No. 95-116

By this Public Notice, as part of the Local Number Portability Administrator (LNPA) Transition, the Wireline Competition Bureau (WCB) informs users of Wireless Do-Not-Call (WDNC), Enhanced Law Enforcement Platform (ELEP), and law enforcement Public Safety Answering Point (PSAP) Interactive Voice Response (IVR) services (also referred to as Ancillary Services) that iconectiv, the next LNPA,¹ launched these services on March 4, 2018. Today, March 6, 2018, the iconectiv WDNC, ELEP, and law enforcement PSAP IVR services passed the Service Operating Status checkpoint recommended by the Transition Oversight Manager (TOM) and approved by the North American Portability Management LLC. All Ancillary Services users should now use their iconectiv credentials to access the iconectiv online portals going forward.

If any WDNC or ELEP/IVR user encounters issues with its access credentials, it should contact the associated iconectiv Ancillary Services Help Desk at the phone numbers below:

WDNC Help Desk: 844-411-9362

Also, please note that the **existing WDNC, Local Number Portability Enhanced Analytical Platform, and law enforcement and PSAP IVR services supported by the incumbent LNPA will be discontinued on March 9, 2018.**

Ex Parte Presentations. This proceeding shall continue to be treated as a “permit-but-disclose” proceeding in accordance with the Commission’s *ex parte* rules, and other relevant WCB guidance.² To the extent that parties make presentations that are not subject to the modified procedures, the Commission’s filing requirements for “permit-but-disclose” proceedings under Section 1.1206 of the Commission’s rules apply.

Persons making *ex parte* presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter’s written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Documents shown or given to Commission staff during *ex parte* meetings are deemed to be written *ex parte* presentations and must be filed consistent with rule 1.1206(b). In proceedings governed by rule 1.49(f) or for which the Commission has made available a method of electronic filing, written *ex parte* presentations and memoranda summarizing oral *ex parte* presentations, and all attachments thereto, must be filed through the electronic comment filing system available for that proceeding, and must be filed in their native format (e.g., .doc, .xml, .ppt, searchable.pdf). Participants in this proceeding should familiarize themselves with the Commission’s *ex parte* rules.

For further information, contact Michelle Sclater of the WCB at (202) 418-0388 or Michelle.Sclater@fcc.gov, or Marilyn Jones of the WCB at (202) 418-2357 or Marilyn.Jones@fcc.gov.
