CERTIFICATION

I, Justin E. Hinkle, President of Smith Bagley, Inc. ("SBI" or "Company"), certify under penalty of perjury that I have read the foregoing Tribal Engagement Attachment, and that all such statements made and matters set forth therein are true and correct to the best of my knowledge, information and belief.

I further certify under penalty of perjury that the following is true and correct to the best of my knowledge, information and belief:

1. SBI has contacted the appropriate Tribal government in its winning bid service area, and this contact took place in a letter sent March 5, 2014, which is no later than five business days after the Company was identified by the Commission's February 28, 2014 Public Notice that it was a winning bidder in Auction 902.

2. In particular, the following Tribal government has been contacted by the Company: The White Mountain Apache Tribe.

2. In the Company's March 5, 2014 letter, the Company indicated that it was willing to engage in meaningful discussions regarding the deployment and improvement of communications on Tribal lands. In particular, SBI expressed its desire to engage in a discussion with the Tribal government regarding the issues specified in 47 C.F.R. § 54.1004(d)(1): (1) a needs assessment and deployment planning with a focus on Tribal community anchor institutions; (2) feasibility and sustainability planning; (3) marketing services in a culturally sensitive manner; (4) rights of way processes, land use permitting, facilities siting, environmental and cultural review processes; and (5) compliance with Tribal business and licensing requirements.

3. SBI had not received a response to its letter of March 5, 2014. However, since it sent the letters the Company has had numerous discussions with the White Mountain Apache Tribe regarding how the Company may play a role in the deployment and improvement of communications on Tribal lands.
