Re: Docket No. 14-58; Form 481 - Carrier Annual Reporting (Program Year 2017)
TransWorld Network, Corp., Study Area Code: TBD, New Mexico

TransWorld Network, Corp. ("TransWorld" or "Company") hereby provides this Notice of Status for Program Year 2017 related to its conditional designation as an Eligible Telecommunications Carrier ("ETC") in the state of New Mexico, in lieu of filing Form 481 – Carrier Annual Reporting. As a conditional ETC, TransWorld has not been assigned a Study Area Code by the Universal Service Administrative Company ("USAC").

TransWorld is not currently receiving high cost universal service support and is not eligible to provide Lifeline service in New Mexico; instead, TransWorld's ETC designation in New Mexico is "strictly for the limited purposes of being eligible to participate in future CAF auctions."[1] As a fixed-wireless competitive ETC ("CETC") designated on February 20, 2013, TransWorld is not eligible for legacy high-cost universal service support or mobility fund universal service support, but is eligible to participate in future Connect America Fund ("CAF") auctions or funding mechanisms, such as the Remote Areas Fund ("RAF") and CAF support mechanisms in price cap telephone company areas.

Any questions concerning this filing should be directed to the undersigned.

Respectfully submitted,

Colin Wood, CEO
