Dear Mrs. Searcy-

I would like to comment on the propose FCC rule changes Docket 92-235.

The changes proposed will definitly hurt our City and many other municipalities in this area. I understand that radio frequencies and availabilities in the larger Metro area are difficult if not near impossible to obtain and that interferences and "bleed over" are a major concern; but in the Panhandle of Texas we need the [illegible] Our rationale City in
