Letter Of Agency

To Whom It May Concern:

E-rate Consulting LLC is authorized to review, file on line all e-rate forms, respond to requests for information, and provide advice to its understanding of the best practices of the program. It does not guarantee success in receiving funding. All forms will be prepared filed online with the presumption the school has presented the material facts that can be verified.

E-rate Consulting LLC does not and will not represent, promote nor select any vendor, but will review contracts and services to be in accordance with e-rate rules. It will seek clarification from vendors regarding their services and products and will review their history of success with the program.

The term of this agreement will be until all 2016, 2017, 2018 FRNS are disposed of. Fees and conditions are

The school needs to provide information and certify forms in a timely manner or funding may be jeopardized
