# THE ULTIMATE PACKAGE DEAL

# the PACKAGE

ALL YOUR...

- INTERNET
- LOCAL PHONE
- LONG DISTANCE

Introducing The Package from GCI. The total communication machine. You get 600 minutes of interstate long distance, unlimited Internet with e-mail, and local phone service with caller ID, voice mail, call waiting, call forwarding and more, all for just $49.99. The same plan with the other guy costs 41 percent more:

| The Package | The Other Guys |
|---|---|
| 600 minutes of LD | 600 minutes of LD |
| Internet | Internet |
| Local Services | Local Services |
| **$49.99** | **$70.95** |

Go figure.

**The Package** has definitely landed.

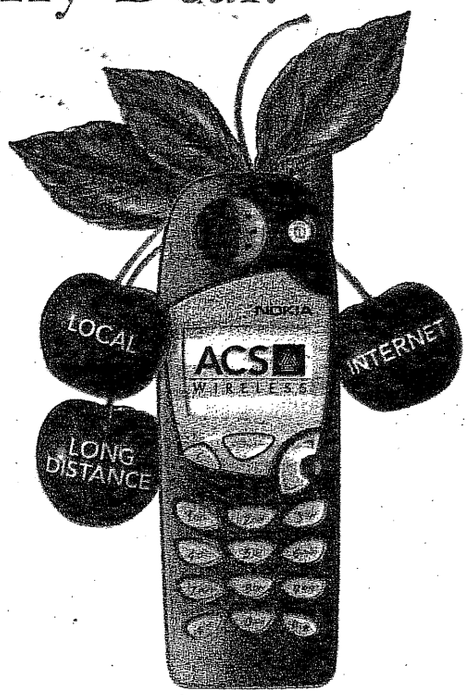
**We are all connected**

Price does not include taxes, fees, surcharges, or additional options and services. Requires GCI Local Value Package and Local Value Package Plus. Prices and conditions may vary. Program conditions apply.

# Cherry Deal.



Our bundle has the one thing the other "package" seems to have forgotten.

## Wireless.

No other "package" offers the things you need most like *Your Choice Bundles* from ACS. This deal lets you cherry-pick the bundle of services that is right for you.

With the Wireless Bundle, you'll get everything listed below. If you sign up now, you'll also get a *free Nokia 5125 phone and free activation* (a $115 value). Talk about a sweet deal.

And if Internet is more to your taste, order our Internet Bundle. With Internet Call Manager, free tech support and no hidden long distance fees, it's equally delicious.

**because** *YOU WANT SOLUTIONS*
