Secretary

I called last week but you were in a class.

My problem is the 1992 Cable Act I have a small system with less than 450 subs. This system is so small that my son and I are the only employees unless there is a major repair job or outage.

All of the rules & regulations are going to be so hard & expensive

from the Cable act of 1992. I
Will be deeply grateful to you
and anyone else who would
Consider this.

Sincerely,
MaryAnn Pendergrass
