Petition For Rulemaking

Seymour, Indiana is located halfway between Indianapolis and Louisville. It has a population of 17,304 persons. It is the hometown of John Mellencamp and the famous Dalton Gang. Recently, a BIG CORPORATION has filed to take Seymour's only FM commercial station to Sellersburg, change the channel and downgrade the station to a class A. Their move has opened up 3 new channels in southern Indiana including this one at Seymour. Seymour is a rapidly growing community and it is certainly deserving of one commercial FM channel.

I, Bruce Quinn intend to apply for, build, own, and operate this radio station for Seymour, Indiana on 93.5MHz.

Respectfully Submitted

Bruce Quinn
