NON-STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 18-76

Comments Due: April 5, 2018
Reply Comments Due: April 12, 2018

By this Public Notice, the Wireline Competition Bureau seeks comment from interested parties on an application¹ filed by CenturyLink, Inc. (CenturyLink) and Syringa Networks, LLC (Syringa) (collectively, Applicants), pursuant to section 214 of the Communications Act of 1934, as amended, and sections 63.03-04 of the Commission's rules, requesting approval for the transfer of certain assets (Boise Metropolitan Statistical Area (MSA) Divestiture Assets) of CenturyLink located in the Boise City-Nampa, Idaho MSA.² Level 3 Communications (Level 3) formerly operated the Boise MSA Divestiture Assets prior to CenturyLink's acquisition of Level 3, which was consummated on November 1, 2017. Applicants state that they are undertaking the proposed transaction in compliance with the requirements of the Final Judgment issued by the Department of Justice in connection with CenturyLink's acquisition of Level 3.³ The Final Judgment ordered CenturyLink to divest, among other things, the Boise MSA Divestiture Assets within certain timeframes and as expeditiously as possible.⁴

¹ CenturyLink, Inc. and Syringa Networks, LLC, Joint Application for Consent to Assignment of Assets, WC Docket No. 18-76 (filed Mar. 13, 2018) (Application). Applicants filed a supplement to their Application on March 16, 2018. See Letter from Yaron Dori, Counsel to CenturyLink, Inc., and Darcy Hoellwarth, General Counsel, Syringa Networks, LLC, to Marlene H. Dortch, Secretary, FCC, WC Docket No. 18-76 (filed Mar. 16, 2018). Any action on this Application is without prejudice to any separately filed applications.

² See 47 U.S.C. § 214; 47 CFR §§ 63.03-04.

³ Application at Exh. A (*U.S. v. CenturyLink, Inc. and Level 3 Communications, Inc.*, Civil Action No. 1:17-cv-02028-KBJ, Final Judgment (Mar. 6, 2018) (Final Judgment)). CenturyLink filed with the Commission a separate domestic section 214 application for the transfer of certain assets formerly owned by Level 3 in the Albuquerque, New Mexico MSA to Unite Private Networks, LLC. See CenturyLink, Inc. and United Private Networks, LLC, Joint Application for Consent to Assignment of Assets, WC Docket No. 18-79 (filed Mar. 14, 2018). CenturyLink will subsequently file a third application for the transfer of certain assets of Level 3 in the Tucson, Arizona MSA. Final Judgment at 3.

CenturyLink, a Louisiana corporation, provides telecommunications services and other services over a 450,000-route-mile U.S. fiber network. CenturyLink's operating subsidiaries provide telecommunications services in all 50 states and the District of Columbia, as well as Puerto Rico and the U.S. Virgin Islands. CenturyLink provides telecommunications services as an incumbent LEC in 37 states, including in the Boise City-Nampa MSA.

Syringa, an Idaho limited liability company, provides competitive telecommunications services and other services in multiple states, including in the Boise City-Nampa MSA. The following U.S. telecommunications entities hold a ten percent or greater ownership interest in Syringa: Albion Telephone Company (11.97 percent); Blackfoot Telephone Cooperative, Inc. (12.56 percent); Project Mutual Telephone Cooperative Association (19.47 percent); and Horizon Communications, Inc. (11.04 percent).⁵ Applicants state that none of Syringa's member companies holding a 10 percent or greater ownership interest in Syringa provides any services in the Boise City-Nampa MSA.

Pursuant to the terms of an Asset Purchase Agreement (APA), CenturyLink agreed to sell the Boise MSA Divestiture Assets to Syringa, thus facilitating CenturyLink's compliance with the divestiture requirements of the Final Judgment. The Boise MSA Divestiture Assets consist of all of the assets, tangible or intangible, used for the operations of the network previously operated by Level 3 that provide telecommunications service in the Boise City-Nampa MSA.⁶ Under the terms of the APA, CenturyLink and Syringa also have agreed to enter into a Transition Services Agreement and a Wholesale Services Agreement to, respectively, facilitate the orderly transition of the Boise MSA Divestiture Assets from CenturyLink to Syringa and to ensure that customers that choose to remain with CenturyLink in the Boise City-Nampa MSA and whose service is provisioned using the Boise MSA Divestiture Assets will continue to receive the same service without disruption following the asset transfer for a period of time mutually agreed to by the Applicants.

Applicants state that the proposed transaction will serve the public interest. Applicants contend that the proposed transaction will enhance competition and benefit customers by enabling Syringa to immediately strengthen its position as a provider of fiber-based telecommunications services in the Boise City-Nampa MSA.⁷ Because of the public interest review associated with this proposed transaction, the Application is not subject to streamlined treatment.⁸

⁴ Final Judgment at 7-8.

⁵ See Application at 12-13 for a complete description of Syringa's ownership.

⁶ Applicants state that the transaction excludes those assets that are used for provision of telecommunications services outside the MSA or between the MSA and other locations outside the MSA. Also excluded are customer contracts, cash, contracts that affect the former Level 3 operations both inside and outside the MSA, intellectual property, assets related to service to specified excluded customers, assets of CenturyLink (other than those of the former Level 3), and certain municipal franchise, and license agreements. See Application at Exh. B (Summary of MSA Divestiture Assets).

⁷ Applicants state that on March 9, 2018, the Department of Justice Antitrust Division notified CenturyLink of its approval of Syringa as the Divestiture buyer. Application at n.3.

⁸ 47 CFR § 63.03(c)(1).
