Re: CC Docket No. 96-45
Interstate Access Support (IAS) for Competitive ETC
Initial Certification Filing

Dear Ms. Dortch:

Midcontinent Communications ("Midcontinent") was approved for ETC status as a competitive ETC in Qwest Corporation's South Dakota service territory by the South Dakota Public Utilities Commission on June 22, 2004. Midcontinent has requested assignment of a Study Area Code (SAC) from USAC, and that request is pending. Midcontinent will be submitting its March 31, 2004 line count for portable IAS support prior to the upcoming June 30, 2004 deadline.

This is to certify that Midcontinent Communications will use its Interstate Access Support (IAS) only for the provision, maintenance, and upgrading of facilities and service for which the support is intended. Midcontinent anticipates receipt of portable IAS support for service that it provides as a Competitive ETC in Qwest's ILEC study area 395145.

I am authorized to make this certification on behalf of Midcontinent Communications. This certification is for the Competitive ETC study area listed below:

Company Name	State	Study Area Code
Midcontinent Communications	South Dakota	Pending

If you have questions regarding this certification, please call me at the number below. Thank you.

Sincerely,

Nancy Vogel
