Make it a
homefree
Holiday

We've upgraded your nTown plan to HomeFree.

Dear «First» «Last»,

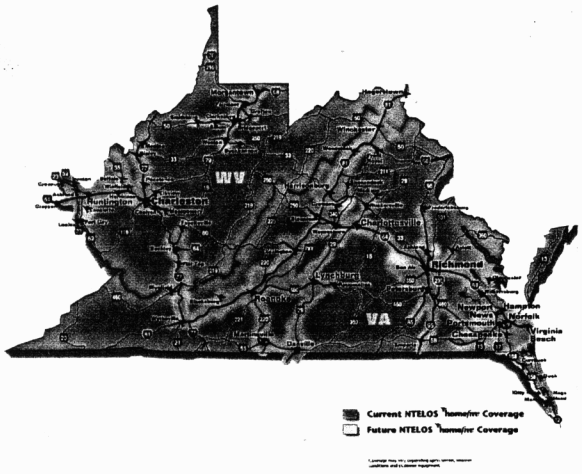
This Holiday Season, NTELOS is giving its most valuable customers an exciting gift, HomeFree.

Your current rate plan has been automatically upgraded to a HomeFree plan that includes the entire NTELOS network.

Your current nTown rate plan of $40.00 per month will be automatically changed to $39.99 for the HomeFree Unlimited. Calls made after «Date» will give you unlimited calling on our entire digital network.

In order for your phone to be used on the entire network, you will need to update the software on your phone. To do this, **dial *228** from your NTELOS wireless phone.

Your New Expanded Calling Area.



But Wait, There's More!

Sign a new Two-Year Contract and receive a FREE Color Phone!

Sign a new two-year contract by either visiting a retail store or calling NTELOS and receive a **FREE Color Phone.**

Should you have any questions, please dial 611 from your NTELOS wireless phone or 1-877-4NTELOS and a customer service representative will assist you.

Just our way of saying thanks for being an NTELOS customer.
Thank you for choosing NTELOS and we appreciate your business!

Cordially,

David Coats
Vice-President, Customer Care

Please dial *228 to update your NTELOS phone.
