This Public Notice serves as notice that, consistent with the Federal Advisory Committee Act,¹ the Federal Communications Commission (FCC or Commission) announces the next two meetings of the North American Numbering Council (NANC). The NANC will hold its next meetings on **Friday, April 27, 2018, from 9:30 a.m. until 11:30 a.m. and on Tuesday, May 29, 2018, from 9:30 a.m. until 3:30 p.m.**, in the Commission Meeting Room at FCC Headquarters, located at 445 12th Street, SW, Room TW-C305, Washington, DC 20554. Notice of the meetings will be published in the Federal Register.

At the April meeting, which will be conducted by conference call, the NANC will consider a recommendation from its Call Authentication Trust Anchor Issues Working Group. At the May meeting, the NANC will consider recommendations from the Toll Free Numbering Modernization Issues Working Group and the Nationwide Number Portability Issues Working Group. In addition, the NANC will continue its discussions at the May meeting on how to modernize and foster more efficient number administration in the United States. This agenda may be modified at the discretion of the NANC Chair and the Designated Federal Officer (DFO).

The NANC meetings are open to the public. The FCC will accommodate as many attendees as possible; however, admittance will be limited to seating availability. The Commission will also provide audio coverage of the meeting. Other reasonable accommodations for people with disabilities are available upon request. Requests for such accommodations should be submitted via e-mail to fcc504@fcc.gov or by calling the Consumer & Governmental Affairs Bureau at (202) 418-0530 (voice), (202) 418-0432 (TTY). Such requests should include a detailed description of the accommodation needed. In addition, please include a way for the FCC to contact the requester if more information is needed to fill the request. Please allow at least five days' advance notice for accommodation requests; last minute requests will be accepted but may not be possible to accommodate.

Members of the public may submit comments to the NANC in the FCC's Electronic Comment Filing System, ECFS, at www.fcc.gov/ecfs. Comments to the NANC should be filed in CC Docket No. 92-237.
