INQUIRY NO. 5

State whether Pendleton Cobb Waugh has had, or continues to have, any involvement with the Licensee during the relevant time period. If so, provide the following information:

a. Describe the nature and extent of any such involvement in the ownership, management, business and/or operation of the Licensee, including but not limited to personnel matters, loan or financing applications, investor solicitations, legal or compliance issues, station build-out, company marketing or promotion, and the sale, purchase, assignment, and/or transfer of stations.

b. Provide all Documents relating to any such involvement.

c. State whether each Principal is aware that Pendleton Cobb Waugh is a convicted felon, the date on which each Principal first became aware of each such conviction, and the circumstances under which such information became known.

d. Upon learning of each such conviction, describe any discussions among the Principals as to the effect of each such conviction upon the Licensee.

LICENSEE RESPONSE

Pendleton Cobb Waugh is not now, and never has been, an officer or director of PCSI or PAI. He does not now hold stock or shares (either voting or nonvoting preferred stock) in either PCSI or PAI; nor has he ever held any such shares. Mr. Waugh is the beneficiary of a voting trust for which Mr. Ray Hebrank is the voting trustee. The existence of the Raymond A. Hebrank Voting Trust was disclosed to the Commission in PAI's Form 175 filed with the Commission in 2000, in describing a party potentially holding shares in the Licensee, subject to obtaining prior FCC approval. In fact, neither Waugh, the Hebrank Trust nor any trust for which Waugh is a beneficiary has, held or holds any outstanding stock in the Licensee. Mr. Waugh is not now and has not been a Principal of the Licensee.

Mr. Waugh has no independent authority to act on behalf of the Licensee. He has no control over the daily operations of PCSI or its FCC licenses. He does not make decisions for the Company on policy matters, although as noted below, he does consult with PCSI management on such matters.

He has no authority to hire or fire personnel for PCSI, including any outside consultants. He is not responsible for the financing of the Licensee's operations. Mr. Waugh does not have authority to contract on behalf of the Company or to bind the Company in any way. He is paid as a consultant and does not participate in the sharing of the profits of the Company. He has no authority with respect to the Company's bank accounts.

PCSI has historically maintained a very small employee base (usually no more than 1-5 employees) and instead relies upon outside consultant arrangements to suit the specific needs of the Company at the time. To that end Mr. Waugh is one of a number of outside consultants and professionals with whom PCSI has contracted during the period covered by the LOI to provide internal business advice, including, for example, radio engineering firms, law firms, wireless site consultants. He reports directly to Charles M. Austin, President and CEO of PCSI. Mr. Austin assigns certain projects to the care of Mr. Waugh, who, in turn, reports to Mr. Austin or other consultants and advisors, as directed by Mr. Austin. However, Mr. Waugh has no authority to direct those consultants and advisors.

During the relevant period, Mr. Waugh's role with the Licensee has included, among other things, providing historical and research information and making suggestions or recommendations to, and otherwise assisting, the Company on a variety of matters relating to raising capital, marketing, business development, acquiring licenses from incumbent SMR licensees, the FCC auction process and the 800 MHz rebanding proceedings before the Commission.

The relationship between PCSI and Mr. Waugh is that of an independent consultant. In accordance with the terms of his consulting arrangement with the Company, Mr. Waugh submits a monthly invoice to the Company for payment and receives a monthly check. No taxes are withheld from that check. He receives an IRS Form 1099.

PCSI does provide Mr. Waugh access to an office at its headquarters in Irving, Texas and has provided Mr. Waugh with access to a Company computer. Mr. Waugh has use of the Company's telephone system. Pursuant to his arrangement with the Company, the Company reimburses Mr. Waugh for expenses related to PCSI business and provides him a cell phone.

Mr. Austin first became aware of Mr. Waugh's conviction in 1995. PSCI has ensured that the activities of Mr. Waugh are limited in scope and are not related to the management or decision-making of PCSI. Around the time that Mr. Austin formed the Company on January 15, 1998, he informed Michelle Bishop, then the Secretary/Treasurer of the Company, of Mr. Waugh's background, conviction and the limitation of Mr. Waugh's consulting services to PCSI. When she became an employee of PCSI, Linda McClain, the current Secretary/Treasurer of the Company, was told of Mr. Waugh's background and conviction and the limitations of Mr. Waugh's consulting services to PCSI. To the knowledge of the Licensee, both Mr. Gerald E. Setka and the late Mr. Chandu Patel, the President and controlling shareholder of Amide Pharmaceuticals, Inc. were informed of Mr. Waugh's conviction prior to and independent of their involvement with PCSI. Upon involvement with PCSI, both Mr. Setka and Mr. Patel also were informed of the limitations placed on Mr. Waugh's involvement in the certain matters of PCSI.

Note, in response to Inquiry No. 5.b., the Company is providing herewith relevant documents that it has identified as of the date of this submission.

INQUIRY NO. 6

State whether the Licensee and/or Pendleton Cobb Waugh has any interest in any entity that filed an application ("Applicant") in the Advanced Wireless Services auction (Auction No. 66), if known. If so:

a. Identify each such Applicant;

b. Describe the nature of each such interest;

c. Provide all Documents relating to each such interest.

LICENSEE RESPONSE

The Licensee has no interest in any Applicant in the Advanced Wireless Services auction (Auction No. 66). To the knowledge of the Licensee, Mr. Waugh has neither filed personally nor does he have any interest in any Applicant in the Advanced Wireless Services Auction (Auction No. 66).

INQUIRY NO. 7

Provide any additional information or Documents that you believe may be useful in helping the Commission make a determination in this matter.

LICENSEE RESPONSE

The Licensee is providing documents that may be useful to the Commission. The Licensee is prepared to respond to additional inquiries if necessary to further establish that there has been no impermissible transfer of control of its licenses or impermissible involvement of Mr. Waugh.

INQUIRY 1

Identify the document contained as Attachment A hereto. State whether it is a true and correct copy of stock certificate C-17 dated April 14, 2000, and bearing the signatures of Michelle Bishop, Secretary, and Charles M. Austin, President, issuing 800,000 shares of PCSI common stock to Raymond Hebrank, Trustee of the Pendleton C. Waugh Voting Trust. Provide a copy of PCSI stock certificate C-17.

Yes, the document provided as Attachment A is a Xerox copy of a copy of stock certificate C-17 from PCSI's Corporate Book. The original certificate is in the possession of Preferred Communication Systems, Inc.'s ("Preferred" or the "Company") Corporate Secretary. A copy of the original is provided as (000000).

In preparation for a pre-Federal Communications Commission ("FCC" or "Commission") Auction #34 (General Category Channels) meeting scheduled for May 6, 2000, Mr. Charles Austin instructed Michelle Bishop to prepare written documents supporting a plan for structuring Preferred so that it might participate successfully in FCC Auction #34. As part of such preparation, Ms. Bishop drafted a stock certificate for "Raymond A. Hebrank, Trustee for the Pendleton C. Waugh Voting Trust."

One of the major issues to be discussed at the May 6 meeting was how both to define the Company's "control group" for purposes of maintaining a "Designated Entity" qualification for FCC Auction 34 and structure a possible investment by Chandu Patel. Mr. Austin sought to resolve these issues by proposing that (1) Preferred issue (a) 800,000 shares of Common Stock to (i) a voting trust to be created by Raymond Hebrank and Pendleton Waugh to be known as the Raymond A. Hebrank Voting Trust, and (ii) a voting trust to be established for the Bishops and (b) the number of shares to be negotiated for issuance to Mr. Guskey directly and (2) Mr. Patel, or one or more of his affiliates, loan Preferred or PAI the funds necessary to participate in the Auction successfully.

During the weeks following April 14, 2000 leading up to the May 6 meeting, the Bishops and Mr. Guskey held divergent views as to their respective ownership and rights and Preferred's capital structure. As a result, the Bishops failed to pursue establishing a voting trust for their benefit and declined to accept separate referrals for a trustee from Mr. Austin and Mr. Hebrank. Mr. Guskey's issues remained unresolved. Due to filing deadlines, a form 175 was prepared by Michelle Bishop which reflected the then proposed ownership structure of Preferred and Preferred Acquisitions, Inc., its wholly-owned subsidiary corporation ("PAI").

At the time of the filing of the form 175 and thereafter discussion among Messrs. Austin, Bishop and Guskey continued concerning the ownership and structure of Preferred. The Bishops and Mr. Waugh respectively had several outstanding items regarding the formation of their respective voting trusts. Shares could not be issued by the Company legally to those voting trusts unless and until certain problems were resolved and events occurred.

For the Bishops the following items needed to be completed:

(1) drafting of the voting trust agreement;
(2) identification and acceptance of a proposed trustee;
(3) execution of the voting trust agreement;
(4) initial payment of the trustee's compensation;
(5) filing for the voting trust's federal taxpayer identification number; and

(6) transfer of funds by the Bishops to the voting trust that then would tender such funds to Preferred to purchase the shares to be issued to the voting trust.

As noted above, Mr. Austin and Mr. Hebrank contacted several individuals whom they believed would be an excellent trustee for the voting trust to be established by the Bishops and introduced such individuals to the Bishops. The Bishops failed to complete items 1-6. As of the date of this response, the Bishops have yet to complete items 1-6.

For Mr. *Waugh the* following items needed to be completed:

(1) initial payment of the trustee's compensation;
(2) filing for the voting trust's federal taxpayer identification number; and
(3) transfer of funds by Mr. Waugh to the voting trust that then would tender such funds to Preferred to purchase the shares to be issued to the voting trust.

On April 14, 2005, Mr. Waugh and Mr. Hebrank executed an Amended and Restated Voting Trust Agreement. As of the date of this response the remaining items need to be completed to effectuate the Raymond A. Hebrank Voting Trust:

(1) payment of the trustee's compensation under the Amended and Restated Voting Trust Agreement;
(2) filing for the voting trust's federal taxpayer identification number; and
(3) transfer of funds by Mr. Waugh to the voting trust that then would tender such funds to Preferred to purchase shares.

As a result of the failure of (1) Mr. Waugh and the Bishops to form valid voting trusts and (2) their respective voting trusts to tender the appropriate funds to Preferred to purchase such shares and based upon the advice of David Kaufman, Ms. Bishop mentioned the verbal agreements between the Company and Mr. Waugh and the Bishops with respect to Preferred's issuing 800,000 shares of Common Stock to separate voting trusts formed on their behalf in two footnotes to the form 175. In such footnotes Ms. Bishop observed that such shares would be issued to such voting trusts only after the filing of a transfer of control application and the Commission's final approval of such application.

As noted above, Ms. Bishop prepared Certificate C-17 for the May 6 pre-FCC Auction #34 meeting. Due to the failure (1) to resolve the differences between the founders (Mr. Austin and the Bishops), Mr. Hebrank, Mr. Guskey and Chandu Patel with respect to their respective share ownership and (2) of Mr. Waugh and the Bishops to form valid voting trusts and their respective voting trusts to tender funds in the appropriate amount to purchase shares from the Company prior to the filing of the form 175. Certificate C-17 was never issued, but rather remained on Preferred's books to be issued (with the correct name of the Trust) at such time as Mr. Waugh or Mr. Hebrank presented executed voting trust documents together with a taxpayer identification number and the voting trust tendering funds to Preferred in the appropriate amount to purchase the 800,000 shares.

While the intent of the Company has been to honor these verbal agreements, the outstanding issues regarding the separate voting trusts were not resolved in a timely manner for reasons outside Preferred's control. This situation remained unchanged for a number of years and was considerably complicated by the untimely death of Chandu Patel in March 2003.
