Request For Review

Reference: CC Docket No 96-45
CC Docket No 02-6

Billed Entity Name: Caverna Independent School District
Form 471 Application Number: 480171
Billed Entity Number: 129050

The above named entity recently received an "Administrator's Decision on Appeal" from the Schools and Libraries Division of The Universal Service Administration Company (USAC) for the funding years 2004-2005, 2005-2006, and 2006-2007. The decision was to deny the entity's appeal of a reduced funding level in the above named funding years.

SchoolCenter is requesting a review of that decision. The appeal was denied asserting that SchoolCenter's eligible service percentage in those funding years was 87 percent and the entity was funded at 95 percent. SchoolCenter's eligible services percentage in those funding years was indeed 95 percent. SchoolCenter did not reduce their eligible services percentage until June of 2007. Prior to that time, SchoolCenter's eligible services did constitute 95 percent of the total charge. We therefore believe the original funding level should be restored to the entity. If further clarification or documentation is required, please advise.

Sincerely,
