Federal Communications Commission
445 12th Street SW
Washington, DC 20554

Subject: Local Radio Matters (Docket 99-25)

Dear Federal Communications Commission:

Local radio has all but disappeared from the dial in recent decades. Low Power FM stations bring community voices back to the airwaves.

I strongly urge you to prioritize local programming on LPFM stations over satellite-fed translators across the country. I encourage the Commission to establish rules that fairly promote local ownership and programming over repeated signals from faraway stations.

Thank you.
