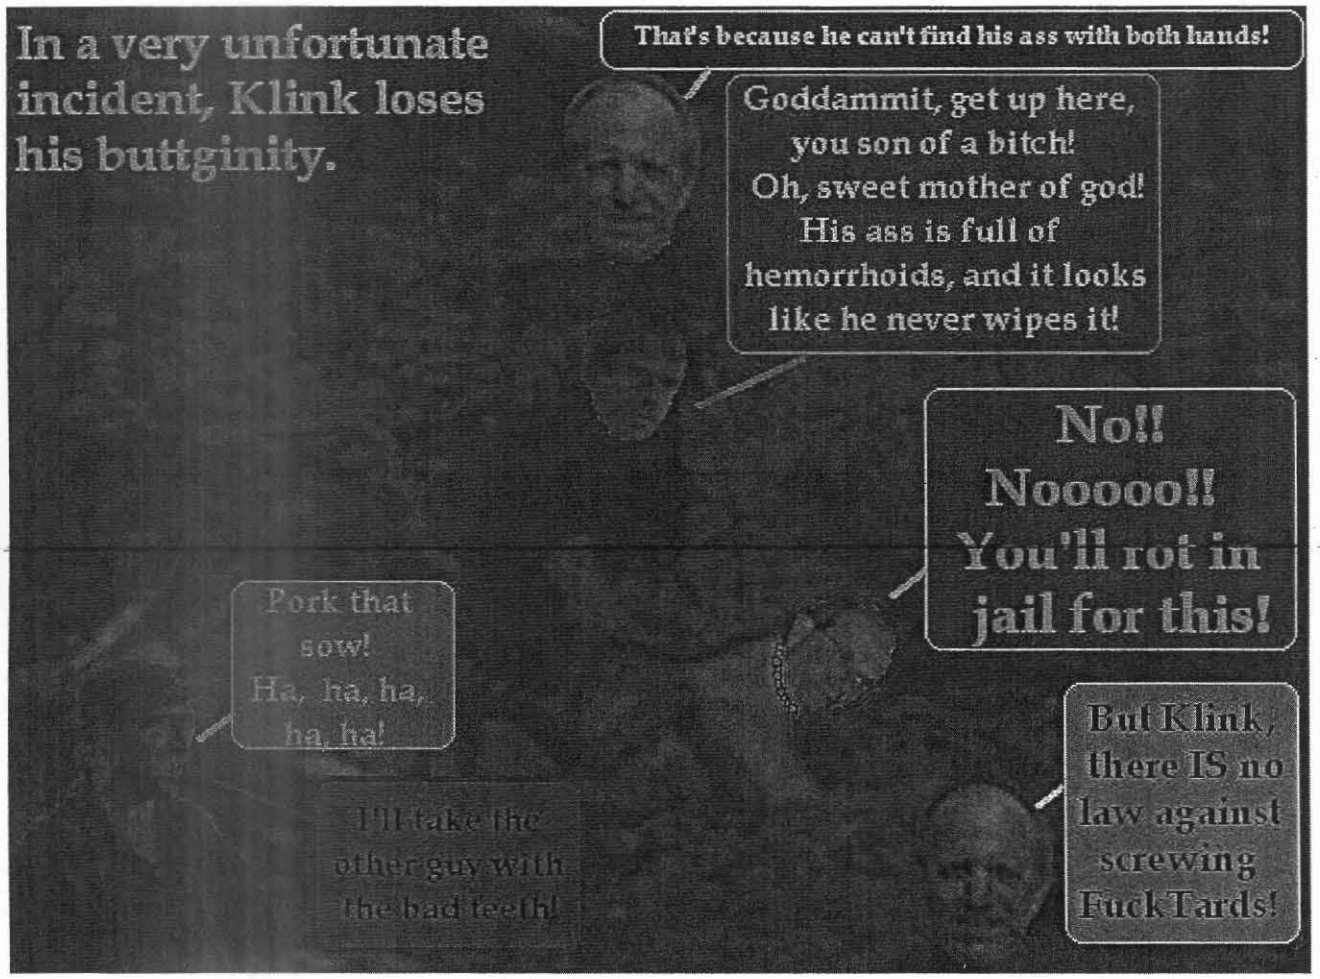
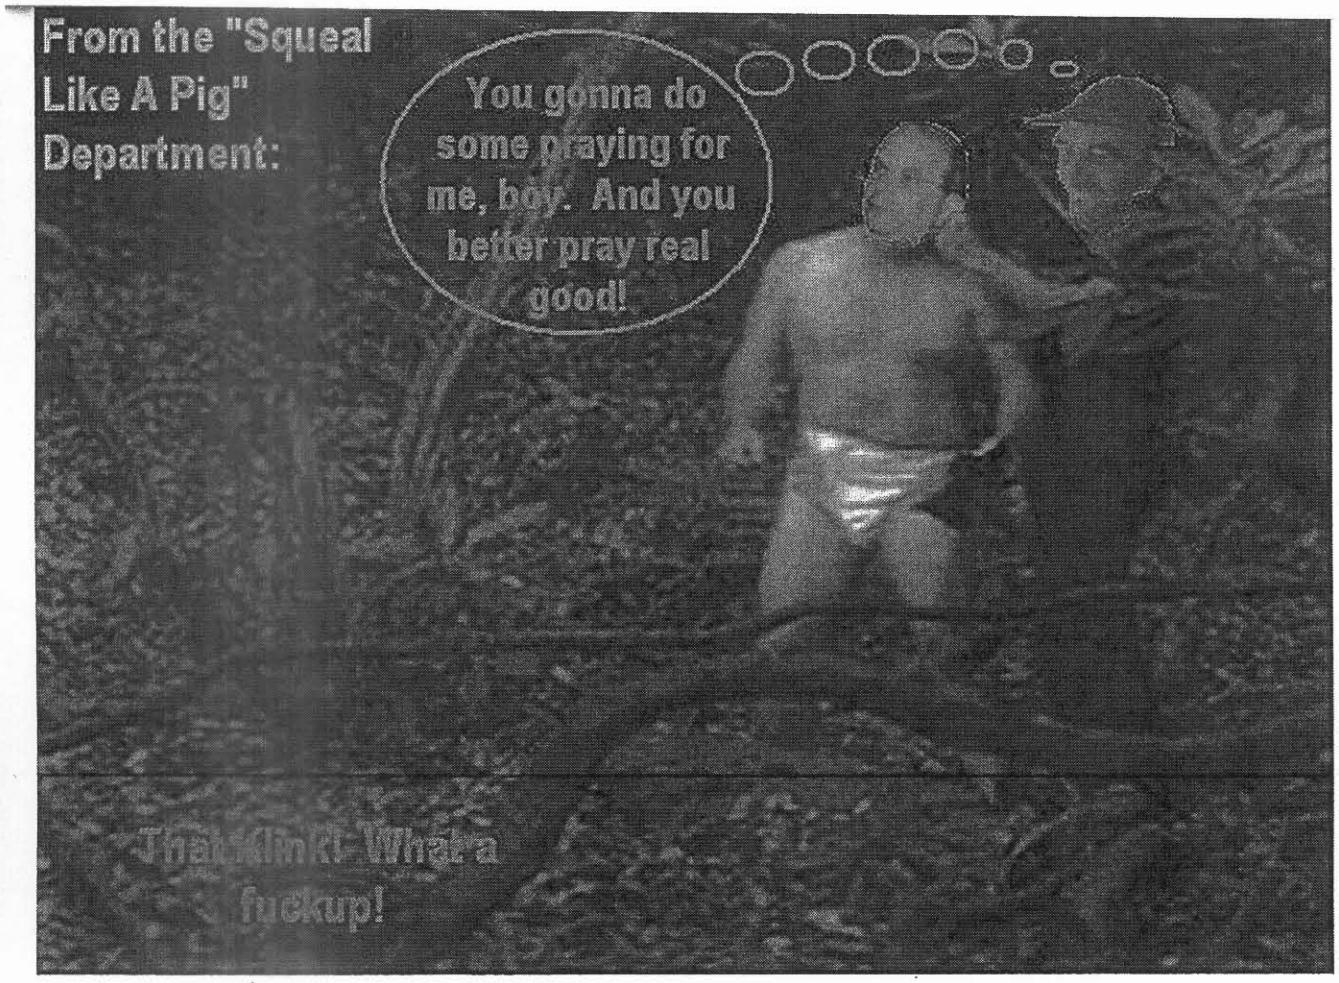
Moon Crash!
Moody, your jumpsuit is really fly!
But do you think maybe someday you'll learn how to size your pictures and use Chillcam correctly?
(I doubt it.)

Glenn, I'm sorry to hear that Becky Zed doesn't want to go with you to visit Art in Manila, but I'd be glad to come down to your place to keep her from getting lonely while you're gone.

Ben, I heard that you can't get a date. I'll go out with you!!



In a very unfortunate incident, Klink loses his buttginity.
That's because he can't find his ass with both hands!
Goddammit, get up here, you son of a bitch! Oh, sweet mother of god! His ass is full of hemorrhoids, and it looks like he never wipes it!
No!! Nooooo!! You'll rot in jail for this!
Pork that sow! Ha, ha, ha, ha, ha!
I'll take the other guy with the bad teeth!
But Klink, there IS no law against screwing FuckTards!



From the "Squeal Like A Pig" Department:
You gonna do some praying for me, boy. And you better pray real good!
That klink! What a fuckup!

Good Operator Report

Radio W6WBJ, your call was heard calling / working N6EDV at 21:25 UTC.

Date: 3-5 2007 Frequency 3.840 MHz Mode LSB Your RST 5x7.

We thought you would like to know . . .

That this Official Observer has noted your EXCELLENT radio signal quality/operating procedure as a fine example for all radio amateurs.

Remarks: Special event stations keep amateur radio in public eye. Your professional operation reflects a positive image for everyone in the hobby. Keep up the good work!

This observation by the undersigned ARRL Official Observer is a function of the Amateur Auxiliary to the FCC. This Observer thanks you for your excellent example of good amateur practice for others in the Amateur Radio Service. Keep up the good work.
