Dear Sir or Mis,

Hello! I am Ariana Gonzalez. I am ten years old and I am in the fith grade, my favorite T/V show is 90210 & I think it is educating because it shows how teenagers live in Beverly Hills.

What is educational T/V? Educational T/V is somthing that teaches kids how to spell and do other things.

Barnie and friends teaches things like loving and sharing. That kind of show is okay, but we should also have some other kinds of show for when somebody wants to relax.

Your watcher,
Ariana Gonzalez

Dear Sir,

My name is Mario
writing you about educational
TV. Educational TV is about
letting out your feelings. Not
stealing baskets like Yogy
Bear, Cheating somebody out
of their money like on
the gustones. On soprano
[illegible] about hate,
stealing and running away,
so you should
take off soprano, Yogy Bear,
and the flintstones like
the [illegible] that I've

danger and geting out
of danger. Then they
us there brain to get
out of danger. Like Super
boy he mesup the first
time but he gets it right
the 2nd time. So he use
his brain the 2en time
and that is educational.

Dear Sir:

The shows that I think that are voilent and not educational are shows like soap-apras, talk shows, and the boring black and white shows.

I think you should make more of the educational tv shows. We should keep all of the Nickelodion shows and the shows.

Sincerly,

Chris C. Thomas

Deare F.C.C:

I think Yogi Bear is not Educational because he is stealing picnic Baskets from people. That show is not educational for kids. The show is about stealing and violence.

My Name is Brian Glover. I am in the Fifth grade. I go to North School in Tracy. I like to read and watch T.V. all day.

The Flinestones may be Educational for kids under

7 yrs old. But for kids who are older it is not Educational. Everybody hates that show. Nobody even watches Yogi Bear anymore. I dont But, I used to watch it.

What I think Ren & Stimpy is Educational because its about a Dog and a Cat making Everybody happy and playful. Its funny too. Barney is Educational because he teaches you all kinds of stuff you can learn.

My favorite T.V. show

is Full House because its funny and good to watch. It comes on Monday-Friday, 5 and 5:30pm.

I think Cartoons are not violence or stealing its about funny things and sometimes sad things too. Almost Everybody watches cartoons when they get out of school and before they go to school.

Sincerly,

Brian Glover

Dear FCC,

I think educational T.V. is shows that teach people about life. A show that I think you should not show on T.V. is Yogy Bear because he steals piknik baskets. One show I think you should keep on T.V. is Beverly Hills 90210 because it can teach you about life. Another show you should keep on T.V is Melros Place because it can teach you about life after you get out of school.

The kind of recreational I want is maybe Sofe Trope because it is funny and we can not always have

educational T.V.. A good recreational show for children is Sesamy Street because it teaches the younger children. Barney is another show for children because it teaches them to share and other things. A show that is good for older children maybe something like Beauty and the Beast.

My name is Jennifer Christina Richardson. I am in fifth grade and I go to North School in Tracy. My favorite show is "Full House". I watch it every week day at five and five thirty, also Tuesdays at eight o'clock. "Full House" is my favorite

program because it realy teaches older children about life.

Sincerely yours,
Jennifer Richardson

I don't think that Yogi Bear is educational because he is stealing. And from my opinon, I do not think that teaches anyone anything but crime and robbery. So I don't think that you should have that show on. My favorite entertaining shows are things like Living Color, Home Improvement, Full House, Martin, and Hangin' with Mr. Cooper. But then there are cartoons that I like.

For instance, I like shows like Tiny Toons and Batman.

My name is Christine Backeroff and I am 11 years old. I was born in San Jose. I have two brothers and one sister. I Also have a dog named Gretchen and 27 bunnies.

Dear Sir,

My name is Samantha Carey I'm 11 years old. I go to North school in Tracy. I'm in 5th grade. I think that you should not only put educational shows on. Like Yogi Bear is not educational because they steal picnic baskets. I think educational T.V. is maybe Beverly Hills 90210 because it shows how teenagers live. My favorite show is Martin maybe it's not educational but it's funny and good.

Personally I think you should keep Martin,

and 90210 on. What kind of recreational T.V. do I want? We all want maybe Martin, and Mr. Copper and 90210. We hope all the shows stay on even if they are not educational. If we had to watch all educational stuff we would be watching Barney all the time. I think you should just keep shows on that is on now. It's okay how it is.

Write Back please!

I think Yogi Bear is not educational beacause he steals picnic baskets and that teaches kids to steal things beacause a celebrity does it.

Another cartoon is the Flinstones they hit each other and lie to each other.

I think what a good educational show is, is a show like Barney or Seasamee Street Or Mister Rogers for little kids. I don't like any of the shows like that but those are for little

kids. My name is Jennifer Lewis im 11 years old. I like shows like Mickey Mouse Club, Kids Incorporated those are on Disney Channel. Also I like Round House, Anything on Nickelodeon. I like the Simpson's and Martin, Melrose Place, 90210.

I think good cartoons are Tiny Toons and Garfield, Bugs Bunny and friends.

Dear F.C.C,

I think that we should have more "Cops" shows. It is good because it shows you not to do bad or you go to jail. We could have less crime. I think educational is good T.V. It shows us not to steal, kill, play nigly tricks on other people. We need more educational T.V. But sometimes I a tone-up. I like to watch "In Living Color" and a few others.

Hi, my name is Maria. I am in fifth grade and almost 11. In one month I will be 11. My favorite T.V shows are, "In Living Color, The Simpsons, and Martin." I like

to watch those 3. I also like
to watch T.G.I.F. on Fridays.
Well, got to go now. Bye!
