I also like a little humor once in a while. I like to watch cartoons. Cartoons where the people dont kill each other. I dont think shows where people kill each other

But some people still watch them.

My name is Steven Arellano. I am 10 years old and go to Roth School. I watch T.V. every day. I watch T.V. at 3:00. That's when cartoons are on.

Sincerly,
Steven Arellano

Dear F.C.C.,

I think educational T.V. isn't a violent show. I think educational T.V. is like: Saved By The Bell & Hey Dude. Not like Soap Opras. Soap Opras are full of violence!

I think Yogi Bear is not educational because it shows kids how to steal. I think The Flinstones is not educational because it shows kids how to be dishonest.

My name is Neoma Elizabeth Frary. I am eleven years

old. I go to North School. I
am in fifth grade. I watch
things Saved by the Bell
Because it shows kids not to
steel or be dishonest. And Hey
Dude shows kids not to steel
or be dishonest too. That's all
I have to say.

Thank You,
Noma Elizabeth Frary

Dear Sec:

Educational T.V. is programs that teach kids and adults how to learn how to be good and try your best in school. Plus teach kids to stay off drugs and don't drink.

Dear F.C.C.,

I think that educational tv. is important at this point in time however, to put it intelagentely my perspective of the Yogi bear show is that it is unapropriut for little children. I beleive that the Yogi bear cartoon only teaches how to steel food.

I do think we should have shows like cops, and America's most wanted, because kids need to learn about what happens to them if they break the law, its better for them to learn by watching what happens to others instead of themselves.

I think you should keep the shows, Martin, In living, coler, David copperfield, mtv., and v.h.1. for older and more macher audiences.

Dear F.C.C:

According to F.C.C regulations T.V shows are spased to be educational. But while sitting down watching T.V. I discovered something strang. There is violence in childrens cartoons. I find this to be a big issue. Answer me one question, what exactly is educational T.V.?

One suggestion is to take of all the soap operas and put on a something good for once. I think that the Simpsons inperticaly are rude and violence. Maybe other people have different feelings about different things. I am in fifth grade and I go to North School. I hope you really think about these isues.
