Support for public television is critical--
it provides the only quality, non-violent,
educational programming directed at
children available. Sugar-coated,
heavily advertised, commercial t.v.
with all it's violence &
promotion of unhealthy food
etc. is unacceptable.

Sincerely,
Craig Kanner

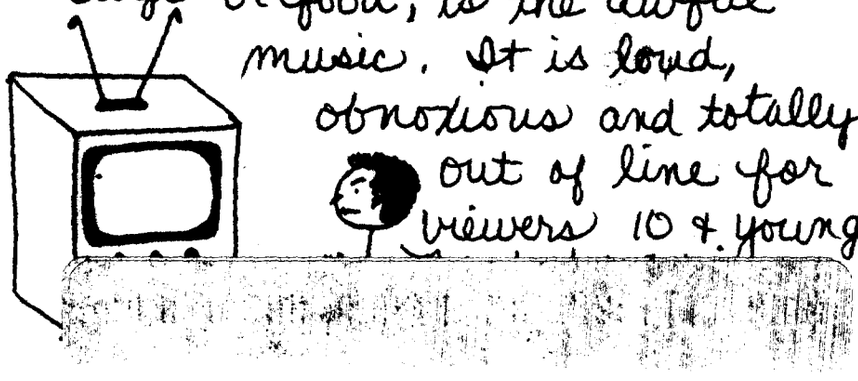
Dear Sir or Maam,

The one thing I despise the most in today's children's programs and even in TV commercials selling kids' toys or food, is the awful music. It is loud, obnoxious and totally out of line for viewers 10 & younger.



Help the FCC improve television programming for your children.

Please keep violent & "fighting" type shows off TV. Also, I do not like the Rugrats show. It plants ideas!

Please talk with educators, parents + early childhood educators regarding the type of programming needed. Other than public TV the shows are crap. Just used to make my child a consumer. Please children are a resource not a commodity to be used. Please use programming that respects that from tuition

I'm the grandmother of seven Children that need less violence or no violence in every show on T.V. We adults do not need it either. Please use your power to improve the quality of programing - all time of the day

I Like: Educational, Inspirational viewing
G, PG rated comedies

I Hate: exploitation of men, women & children as sexual beings ~ violent behavior as normal

Please Take Off: [illegible] & profain oriented programs ~ those that glorify anger not goodwill.

For Better Programs Please: put on more family oriented programs G-PG rated, educational shows, exemplifying faith, & goodwill
