Re: Notification of Ex Parte Presentation of Time Warner Cable Inc., MB Docket No. 10-71, GN Docket No. 09-191, WC Docket No. 07-52

Dear Ms. Dortch:

On September 2, 2010, Gail MacKinnon, Charlene Keys, and the undersigned of Time Warner Cable Inc. ("TWC") discussed with Commissioner Clyburn and her Acting Chief of Staff and Legal Advisor, Angela Kronenberg, TWC's positions in connection with the above-captioned proceedings. Specifically, consistent with TWC's written pleadings, we reiterated our support for initiating a rulemaking to reform the Commission's retransmission consent rules and explained the harms that result from the existing rules. We also discussed TWC's interest in preserving a broadband regulatory framework that promotes openness without sacrificing investment and innovation.

Please contact the undersigned if you have any questions regarding these issues.

Sincerely,

Steven N. Teplitz
