CC Docket No. 02-33

Manchester-Hartland Telephone Company (the "Company") hereby provides notice that it intends to cease offering wireline broadband Internet access transmission service on a tariffed basis. Effective January 1, 2017, the Company will begin offering wireline broadband Internet access transmission service on a Title II, common-carriage, permissive de-tariffed basis pursuant to paragraphs 90 and 94 of the Commission's Wireline Broadband Order.[1] The geographic areas affected by this notice are Manchester-Hartland Telephone Company's exchanges where wireline broadband Internet access transmission services are technically feasible.

Today, this service is provided to Manchester-Hartland Telephone Company's ISP division. The ISP purchases wireline broadband access transmission service for use as a wholesale input to its broadband Internet access services, which are sold by the ISP to residential and business customers. End user services will not be affected by the discontinuance of the tariffed offering by the Company. As stated in the attached customer notice, Manchester-Hartland Telephone Company will continue to offer existing ISP customers wireline broadband Internet access transmission service pursuant to current rates, terms and conditions until the end of their current term or upon replacement with a Broadband commercial agreement. Manchester-Hartland Telephone Company's rates, terms and conditions for its permissively de-tariffed wireline broadband access transmission service will be available at its office located at 204 Railroad Street, Manchester, MN 56007.

Re: CUSTOMER NOTICE OF CHANGE IN DSL SERVICE

Dear Valued Customer:

Our records indicate that Manchester-Hartland Telephone Company is currently purchasing wholesale wireline broadband Internet transmission services from Manchester-Hartland Telephone Company pursuant to the terms of its tariff. This letter is to inform you that Manchester-Hartland Telephone Company will no longer offer such DSL transmission services pursuant to Tariff effective January 1, 2017. On and after January 1, 2017 services will be made available to you on a common-carrier, non-tariffed basis.

Manchester-Hartland Telephone Company's rates, terms and conditions for its non-tariffed wireline broadband Internet access transmission service can and will be available at its office located at 204 Railroad Street, Manchester, MN 56007. The actions described above are taken in accordance with the FCC's Report and Order (FCC 05-150) released September 23, 2005 in Docket No. 02-33. In the order, the FCC determined that facilities-based wireline broadband service providers could offer their services on a common-carrier, permissively de-tariffed basis.

Sincerely,

John Bokelman
General Manager
