Dear Mr. Hunt, T.V. is a bad stage. Too much female immodesty is going on. A lot of male immodesty is going on too. It should stop. That is like ~~abusing~~ abusing the human race but through electronic box. But thank you for the good stuff in t.v..

Sincerly

Dear Cable com Oct. 29, 95

~~Dear Mr. Hundt,~~

A lot of the shows are very sick like Ricki Lake. If there is bad words put a beep on it so we don't have to listen to it. If they are bad shows put it on one channel. And put decent show on most of the channels.

Sincerely,
Emily Hansen

Mr. Hunt,

Oct. 29, 1995

Lots of people are not encouraging all the new talk shows, that includs me. There are to many bad shows on T.V.. I want there to be more good and happy shows on T.V.. I think there needs to be a major change in whats on the T.V. screen. I hope you listen to my letter, and others letters, and cut out most of the murder, violence, and crime. Lots of people think as I do, and want the same thing. People are o getting the wrong attitude about things. That

comes from watching
bad shows on T.V.
People are learning the
wrong way how to
solve their problems.

Thank you for your
time

Sincerely,

Lindsey
