NOTICE OF EX PARTE COMMUNICATION

Re: ***Ex Parte* Filing, CC Docket No. 96-45; WC Docket No. 11-42; WC Docket No. 03-109; WC Docket No. 12-23**

Dear Ms. Dortch:

On Wednesday, November 28, 2012, Jon Cray, Kay Marinos and Julie Thompson, Staff of the Oregon Public Utility Commission ("OPUC"), and Sindy Yun and Michaela Pangilinan, Staff of the California Public Utilities Commission ("CPUC"), participated in a teleconference with Jonathan Lechter and Kimberly Scardino of the Wireline Competition Bureau. We discussed OPUC Staff's November 16, 2012 Ex Parte Letter in support of the United States Telecom Association ("USTA") Petition for Reconsideration and Clarification in the above dockets on April 2, 2012.

The OPUC and CPUC Staff expressed concern about the expiration of the December 1, 2012 deadline granted in the *Waiver Order*, DA12-863, released on May 31, 2012. The OPUC and CPUC Staff described the administrative aspects of Lifeline certification forms in their respective states. Finally, the OPUC and CPUC Staff discussed options with the FCC, including the need to request an extension of the waiver past December 1, 2012.

Pursuant to § 1.1206(b) of the FCC's rules, this letter is being filed electronically. Please contact the undersigned with questions or concerns.

Respectfully,

Jon Cray
