**DOMESTIC SECTION 214 APPLICATION FILED FOR  
THE TRANSFER OF CONTROL OF  
MONTROSE MUTUAL TELEPHONE COMPANY AND  
MONTROSE MUTUAL LONG DISTANCE, INC.  
TO WABASH INDEPENDENT NETWORKS, INC.**

**NON-STREAMLINED PLEADING CYCLE ESTABLISHED**

**WC Docket No. 18-128**

**Comments Due: May 29, 2018  
Reply Comments Due: June 5, 2018**

By this Public Notice, the Wireline Competition Bureau seeks comment from interested parties on an application filed by the shareholders of Respond Communications, Inc. (Respond) and Wabash Independent Networks, Inc. (WIN) (collectively, Applicants), pursuant to section 214 of the Communications Act of 1934, as amended, and sections 63.03-04 of the Commission's rules, requesting consent to the transfer of control of Respond and its wholly owned subsidiaries, Montrose Mutual Telephone Company (MMTC) and Montrose Mutual Long Distance, Inc. (MMLD), to WIN.<sup>1</sup>

Respond, an Illinois corporation, does not provide telecommunications services itself but is a holding company that wholly owns MMTC and MMLD, both also Illinois corporations. MMTC provides service as a rural incumbent local exchange carrier (LEC) to four exchanges in Effingham, Jasper, and Cumberland Counties, Illinois. MMLD provides domestic interexchange services in and around MMTC's service territory to approximately 866 subscribers.

WIN, an Illinois corporation, provides competitive LEC services to approximately 3,801 subscribers in and around Flora, Fairfield, and Salem, Illinois. WIN is a wholly owned by Wabash Telephone Cooperative, Inc. (Wabash), an Illinois corporation, that provides service to approximately 146 business and 402 residential access lines as a rural incumbent LEC in nine exchanges in Clay, Wayne, Effingham, Jasper, Marion, Edwards, Wabash, and Richland Counties, Illinois. Applicants state that the incumbent LEC service area of Wabash is adjacent to the incumbent LEC service area of MMTC. Applicants further explain that WIN does not currently provide competitive LEC services to retail

<sup>1</sup> See 47 U.S.C. § 214; 47 CFR §§ 63.03-04. Applicants also filed applications for the transfer of authorizations associated with international and wireless services. Any action on the domestic section 214 applications is without prejudice to Commission action on other related, pending applications. Applicants filed supplements to their domestic section 214 application on May 8 and May 14, 2018.

customers in the territory of MMTC and MMLD but markets retail service in that territory and provides certain transport service there. Applicants state that Wabash is a cooperative corporation that is owned by its member-subscribers and that no single member owns or controls more than five percent of the equity interests of Wabash.

Pursuant to the terms of the proposed transaction, WIN will acquire all the stock of Respond and will directly wholly own Respond and indirectly wholly own MMTC and MMLD. Applicants assert that a grant of the application will serve the public interest, convenience, and necessity. Because Applicants have adjacent and overlapping service areas, this application is not entitled to presumptive streamlined treatment under the Commission's rules.<sup>2</sup>
