[3] On April 17, 2014, NBCUniversal acquired the 69.09% interest in FearNet previously owned by Sony and Lionsgate. FearNet subsequently ceased operations on July 30, 2014. Due to extensive operational changes resulting from that transaction, NBCUniversal does not have in its possession accurate programming information for the period of its ownership of FearNet and thus is not able to provide independent programming reports for FearNet for the period of April 17 through July 30, 2014.
