RE: This is a public comment for WC Docket #12-375

Dear Secretary Dortch: I am writing you concerning the extremely high phone rates for prisons here in PA. These rates exploit not only prisoners but the families and friends of these prisoners. To call outside the state it cost much less depending where the person is calling, ~~exp~~ for example, if I were calling new york it would cost less than me calling to my home in philly - $5.15 for (1) one (15) ~~minu~~ minute call.

If the FCC can do something about this matter it would definitely help thousands of people who are already in poverty struggling to make ends meet.

Sincerely,
Daniel M. White
