Statement OF Facts

DOCKET FILE COPY ORIGINAL

1. The Dunklin County Justice Center inmate Phone system... We can call out of State For .42¢ For the First minute then .21¢ for each additional minute or $3.15 For a 15 minute call.

2. To call in State or local calls its .60¢ for the First minute then .54¢ For each additional minute or $8.60 For a 15 minute call.

3. Up until about 5-weeks ago we were forced into buying $10.00 or $20.00 Phone cards. When The balance on those card's got below .60¢ For in State calls and below .21¢ For out of State calls we would have change left on those cards that we could not use. NOW, they did Fix That Problem. On Todays System we buy a $10.00 or $20.00 Phone card and deposit the money into our inmate Phone account. So now we no longer have change left over on the Phone cards that we cant use.

4. The Phone Company the Jail uses is Encartele 866-476-6723 or http://www.encartele.net. They do charge extra fees for things like to start a Pre-Paid account, to add monies to an account. If our family or friends on the streets set the account up or add money like say $20.00 they pay $28.00 plus tax = $20.00 Phone time, $8.00 set up and ?? ?? Taxes.

5. The Dunklin County Justice center is located at There are 9-Pods here at this Jail. I only have access to D-Pod. Here are the Signitures of D-Pod inmates that agree with my writings
