**MEDIA BUREAU ESTABLISHES PLEADING CYCLE FOR APPLICATIONS TO TRANSFER  
CONTROL OF TRIBUNE MEDIA COMPANY TO SINCLAIR BROADCAST GROUP, INC.  
AND PERMIT-BUT-DISCLOSE *EX PARTE* STATUS FOR THE PROCEEDING**

**MB Docket No. 17-179**

**Petition to Deny Date: August 7, 2017**  
**Opposition Date: August 22, 2017**  
**Reply Date: August 29, 2017**

On June 26, 2017, the Federal Communications Commission (Commission) accepted for filing applications seeking consent to the transfer of control of subsidiaries of Tribune Media Company (Tribune) holding the licenses of full-power broadcast television stations (and related broadcast auxiliary facilities), low-power television stations, and TV translator stations to Sinclair Broadcast Group, Inc. (Sinclair, jointly Parties).<sup>1</sup> In the proposed transaction, pursuant to an Agreement and Plan of Merger dated May 8, 2017, Sinclair would acquire Tribune through a merger of a newly formed subsidiary of Sinclair with and into Tribune, immediately followed by Tribune merging with and into Sinclair's wholly owned subsidiary, Sinclair Television Group, Inc. (STG), with STG as the surviving company. As a result, Tribune's licensee subsidiaries would become indirect subsidiaries of Sinclair. The jointly filed applications are listed in the Appendix to this Public Notice.

As explained more fully in the Consolidated Exhibit to the applications, in several Designated Market Areas (DMAs), Sinclair and Tribune both own full power television stations (Overlap Markets). The Parties state that in ten of the Overlap Markets, the Commission's local television multiple ownership rules do not allow Sinclair to own both its current station(s) and the Tribune station(s).<sup>2</sup> The Parties also state that in one of the Overlap Markets Tribune currently has a permissible duopoly, but Sinclair cannot

<sup>1</sup> A list of the applications can be found in the Attachment to this Public Notice. Copies of the applications are available in the Commission's Consolidated Database System (CDBS).

<sup>2</sup> See 47 C.F.R. § 73.3555(b). In an eleventh market, Milwaukee, Wisconsin, Sinclair owns the existing duopoly WVTM-TV and WCGV-TV, while Tribune owns WITI-TV. All of the stations are licensed to the city of Milwaukee. WCGV-TV successfully bid to relinquish its license in the broadcast incentive auction and is not a party to a channel sharing agreement. To the extent necessary, the Parties request a waiver of 47 C.F.R. § 73.3555(b) to permit common ownership of the stations until such time as WCVG-TV ceases operation in accordance with the Broadcast Incentive Auction Rules.

acquire both stations because of the Top Four limitation in the local multiple ownership rules.<sup>3</sup> Finally, the Parties assert that in one other Overlap Market a permissible duopoly will be created by the transaction and, in two markets where Sinclair currently does not own stations, it will acquire existing permissible duopolies.<sup>4</sup> As a result of the proposed merger, Sinclair also would acquire four radio stations in Seattle, Washington and two radio stations in Chicago, Illinois, which the Parties state are permissible combinations.

The Parties state that they “[i]ntend to take actions ... as necessary to comply with the terms of the Merger Agreement and the Commission’s local television ownership rules as required in order to obtain FCC approval of the Transaction. To the extent that there are changes, or proposed changes, to the Commission’s local ownership rules that would permit acquisition of the Tribune licenses in any of these markets in which such ownership is currently prohibited, the applicants may file amendments to address such changes. To the extent that divestitures may be necessary, applications will be filed upon locating appropriate buyers and signing appropriate purchase agreements.”<sup>5</sup>

According to the Parties, the proposed transaction would result in Sinclair exceeding the national television ownership limit by 6.5%. The national ownership limit prohibits the transfer of a license for a commercial broadcast station if the transfer would result in the transferee having an attributable interest in television stations that reach greater than 39% of the national audience.<sup>6</sup>

The Parties state, “The applicants will take such actions to the extent required to comply with the terms of the Merger Agreement and the national television ownership limit (including the UHF Discount), in order to obtain FCC approval of the Transaction. To the extent that there are changes, or proposed changes, to the national television ownership limit, the applicants may file amendments to the applications to address such changes.”<sup>7</sup>

Sinclair seeks continuing satellite waivers in two markets and continuing failing station waivers in two markets.

#### **EX PARTE STATUS OF THIS PROCEEDING**

In order to assure the staff’s ability to discuss and obtain information needed to resolve the issues presented, by this Public Notice, and pursuant to Section 1.1200(a) of the Rules,<sup>8</sup> we establish a docket for this proceeding and announce that the *ex parte* procedures applicable to permit-but-disclose proceedings will govern our consideration of these applications.<sup>9</sup>

Permit-but-disclose *ex parte* procedures permit interested parties to make *ex parte* presentations to the Commissioners and Commission employees and require that these presentations be disclosed in the record of the relevant proceeding. Parties making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must contain the presentation’s substance and not merely list
