Net Neutrality Now! As a Christmas / Chanukah / Holy Days Gift!

Dear Mr. Jonathan Sallet and Staff,

I am certain your children, their children, and so on deserve the care I am asking for: that you pass STRONG, DURABLE Net Neutrality Rules under Title II (& any other way you are in FULL INTEGRITY with!) Delaying or avoiding this is a crime you can avoid committing. Listen to us, the millions speaking out knowing that your progeny will join us. Monica McGuire

Thank You, Monica McGuire
