Reference: § 63.71 application of Sprint Communications Company L.P.

I am writing to explain how this proposed discontinuance will impact my ability to have land line long distance service. You see I am disabled and my only income is social security disability insurance. I am on life line service for my local telephone service through Frontier communications. However my long distance carrier has been through Sprint where I have the Sprint 50 at home plan where I get 50 free long distance minutes per month and my total cost for this plan is $3.24/month. If Sprint discontinues this plan I will not be able to afford long distance for my land line phone which means I will not be able to speak to my
