NON-STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 18-223

Reply Comments Due: August 15, 2018

By this Public Notice, the Wireline Competition Bureau seeks comment from interested parties on an application filed by ICTC Group, Inc. (ICTC Group) and BEK Communications Cooperative (BEK, together with ICTC Group, Applicants) pursuant to section 214 of the Communications Act of 1934, as amended, and sections 63.03-04 of the Commission’s rules, requesting Commission approval to transfer control of the indirect wholly owned subsidiaries of ICTC Group, Inter-Community Telephone Company, L.L.C. (ICTC Telephone) and Valley Communications, Inc. (Valley) from ICTC Group to BEK.¹

ICTC Group, a Delaware corporation, does not currently provide telecommunications services. ICTC Group wholly owns Lynch Telephone II, L.L.C. (Lynch), a Delaware limited liability company. Lynch, in turn, wholly owns ICTC Telephone and Valley. ICTC Telephone, a North Dakota corporation, is a rural incumbent local exchange company (LEC) serving approximately 1,533 customers in nine exchanges in Barnes, Griggs, Steele, Cass, and Ransom Counties, North Dakota.² Valley, also a North Dakota corporation, provides competitive broadband and telephone services in and around the city of Valley City, North Dakota to approximately 40 customers.

BEK, a North Dakota cooperative, is a rural incumbent LEC serving approximately 850 business and 6,500 residential lines in 20 rural exchanges in Emmons, McIntosh, Logan, Kidder, Burleigh, McLean, Barnes, and Morton Counties, North Dakota. BEK also provides competitive services in and around the city of Valley City, North Dakota. Applicants state that the service areas

of Valley and BEK overlap where both provide competitive services. BEK is owned by its member-subscribers with no member-subscriber controlling more than a five percent equity interest.³

Pursuant to an Agreement and Plan of Merger, BEK proposes to acquire all the stock of ICTC Group through a “reverse triangular merger”, wherein BEK formed an indirect subsidiary to merge with ICTC Group, which will be the surviving entity. Specifically, BEK has formed and wholly owns BEK East, Inc., a North Dakota corporation, which, in turn, formed a Delaware corporate subsidiary, BEK East Delaware, Inc. (BEK East Delaware). BEK East Delaware will merge with ICTC Group. ICTC Group will be the surviving corporation, and the existence of BEK East Delaware will terminate upon consummation and effectiveness of the proposed transaction, leaving ICTC Group as a wholly owned subsidiary of BEK East, the wholly owned subsidiary of BEK. After consummation of this proposed transaction, the ICTC Companies will continue to exist and provide service pursuant to then-existing rates, terms, and conditions for the near term.

Applicants assert that a grant of the application will serve the public interest, convenience, and necessity. Applicants do not request streamlined treatment for the domestic section 214 application pursuant to section 63.03 of the Commission’s rules.⁴
