**Exhibit A**

My name is Brandi Chapman. I live at 2361 Nebraska Road, Iola, KS 66749. I called Kiwkom asking if they could supple us with internet! They stated they are 90% sure they can supple us but they would have to come check and see first. They stated it would be a $60.00 fee to check and make sure they could supple. If they couldn't we would be responsible for the $60.00 fee, but if they could it would be part of the installation fee!
