I watch RFD-TV on Dish

I'm a farmer, I watch the morning programing to make my marketing decisions for grain and cattle

RFD-TV has a variety of programing in the evening that should be of interest to rural or urban alike. Programing with a high moral value.

Thank you

Gary Teerink

RFD T.V. 1641

DEAR SIR, AND FRIENDS

PLEASE FORWARD MY THOUGHTS TO THE FCC PEOPLE,

I WANT THEM TO KNOW THAT THE PROGRAMMING ON RFD T.V. IS MY FAVORITE CHANNEL TO WATCH.

I ABSOLUTELY LOVE THE POLKA PARTY THAT MOLLY B. PUTS ON, I LOVE THE SHOW VERY MUCH. I ALSO LOVE THE TRACTOR SHOWS, AND THE MACHINERY SHOW PROGRAMMING.

IF RFD T.V. WERE NO LONGER AVAILABLE FOR MY VIEWING, IT WOULD BE A MAJOR LOSS TO ME.

PLEASE KEEP RFD-TV COMING TO MY TELEVISION, I JUST LOVE IT, IT IS MY FAVORITE CHANNEL TO WATCH.

PLEASE FORWARD MY THOUGHTS TO THE APPROPRIATE PEOPLE.

THANK YOU
GOD BLESS YOU

Please put a stop to this nonsense of dropping or canceling R-F.D. TV.

It carries every thing a person likes to watch in rural America.

We should have some rights, as we feel all Americans, and other countries.

The United States doesn't end on the edge of the big cities.

Thank you,

P.S. RFD TV is our favorite channel

Concerning dropping of independent cable stations by major cable companies
My wife and I throughly enjoy programs offered by RFD TV as we can't get the same good entertainment on any other station.
Most enjoyable are the music, farm news, and other farm oriented programs.
The major cable company should offer programs for more segments of the viewing public.

Gentlemen, 1641

To whom this may concern,

RFD TV is my main concern to watch on Television. I pray to The Lord God Almighty that RFD TV stays on.

If this channel - RFD TV is taken off the air - there will be a lot of stepped on toes. Large chemical companies for one. Maybe you don't realize it - but these Large chemical companies have a lot of clout and a lot of money & big time!!

Somebody needs to think twice before this channel RFD TV is taken off the air - it is a good thing!
